VOL. 14 NO. 13 WEDNESDAY, MARCH 28, 1973.

Dave Ward's antics drew laughter as he hams it up for the camera at Sunday's Kinsmen Skate-a-thon. Getting the treatment is Kin Bob Myrthue with Lieutenant-Governor J. W. Grant MacEwan and Mayor Ray Gibbon enjoying the fun. Dave, Mr. MacEwan and the mayor all completed 100 laps, with Ray coming in first. Mr. Gibbon also was the skater making the most money for the Kinsmen, with over \$400 on his pledge card. Kinsmen Al Le Pan reports that there were fewer skaters involved this year (about 300) but higher pledge average per card, resulting in a total of some \$6,100 pledged. Young people are requested to turn in their cards and money promptly to any bank in St. Albert.

Few Ratepayers At Town Annual Meeting

About 20 St. Albert ratepayers plus town hall staff made up the small crowd attending town council's annual meeting Monday evening held in the Community Hall. Richard H. M. Plain of 39 Bellevue Cresc. was elected chairman of the meeting which ended at 9:45 p.m.

After Mayor Ray Gibbon delivered his prepared report reviewing the town's overall administrative and financial activities, secretary-treasurer Russ Bowen read the financial statement briefly touching on highlights in all town departments.

(See elsewhere in this issue for text of mayor's and sec-treas. reports).

All members of council were present excepting Councillor Bob Hudson who is presently enjoying holidays in Continental Europe.

In view of the sparse attendance few questions were asked by the ratepayers. However, some interested citizens expressed concern on vital issues and these included town growth prospects, the ability of St. Albert to cope with projected expenditures relating to water and sewage facilities, expansion policies, transportation and the such. Barry Breadner came up with the first question which dealt with the revenue and expenditure report circulated at the meeting. Mr. Breadner asked if St. Albert was experiencing a "crime wave" in view of the court fines showing that \$12,000 in revenue had been budgeted and the actual revenue was \$23,878.31. Mayor Gibbon answered that question by saying the skyrocketing revenue in this instance was due to St. Albert's tremen-

dous growth coupled with "our excellent police force and wise council budgeting." This answer satisfied Mr. Breadner and brought about a round of applause.

Another question which included a suggestion came from Mr. Thiel who wanted to know how ratepayers were expected to decipher zoning

PLEASE TURN TO PAGE 2

Harrison Elected Lion Club President

A new Breakfast Lion executive was elected Tuesday morning with Elmer Harrison coming out of the secret balloting session as the new president for the forthcoming 1973-74 term. Coming out second best in the contest was Harry Hutchings who automatically becomes first vice-president.

Other members of the Breakfast Lion leaders are Tom Flynn, second vice-president; Harry Gaffney, third vice-president; John Huberdeau, secretary; Lorne Johnson, treasurer; Jack Harefield, tall twister; Clifford Keyes, lion tamer; Eric Robinson and Eugene Scantland, 2-year directors; Chuck Meurlin and Dr. W. Cuts, 1-year directors.

Lion John Kaminski was appointed chairman of the annual meeting and conducted election proceedings. The new executive will officially take office July 1, in the meantime the present crew, under the able direction of Lion President Stan Shottland will carry on "with business as usual."

Decentralize metro govt. low interest farm loans - MLA on budget debate

Speaking to the legislature March 16, St. Albert's MLA Ernie Jamison proposed that the government provide needed relief to new and young farmers through low interest farm credit. "I'm talking about something in the neighborhood of three per cent - or in some cases interest free loans," he said.

The fact that 1,000 farms per year are being absorbed or disappearing from the province, Mr. Jamison said was his major concern as a rural representative. He agreed with the Conservative attack on the problem through greatly increased emphasis on all aspects of marketing.

The MLA also stated he would like to see the government consider a plan to equalize industrial tax. "From the outset the City of Edmonton should have had a just return from Refinery row," he said. The County of Thorhild was another example. "MD of Sturgeon ratepayers have plowed in \$193,000 for upkeep of roads to the fertilizer plant, and received all taxes," noted Mr. Jamison. He also felt that equalization of industrial tax would give the government "room to move," in placing industrial developments on non-arable land.

The 4.9 million budgeted for early childhood education he felt was a step in the right direction and urged priority support for the Evelyn Unger school and for associations working with children having special difficulties, such as the Sturgeon and St. Albert Association for Children with Learning Disabilities.

These parents are making a most worthwhile effort, and gaining support of teachers and trustees who are aware of the need for further help for these children, said Mr. Jamison.

The St. Albert MLA criticized Edmonton's insistence on a unitary - rather than a decentralized - type of metropolitan government. "The city is not merely engaged in a search for more living space," he said,

quoting from Edmonton's submission to the Metropolitan Affairs Committee, "Unitary government for the Edmonton socio-economic region is the underlying reason for extending our boundaries."

The scope of the metropolitan area to be contained under such unitary government is approximately by the boundaries contained within the Hanson Report, PLEASE TURN TO PAGE 3

Library to feature Opera preview event

On Wednesday, April 4 the St. Albert Public Library is sponsoring a special Opera Preview Night at the library prior to the opening of the Edmonton Opera Company's final production of the season.

The evening is designed to inform and entertain all St. Albert opera buffs with a program devoted to the Edmonton Opera Company's next productions, "Cavallaria Rusticana" and "Pagliacci" which open the next evening, April 5.

The informal program will include filmstrips of both productions of these operas and recorded excerpts from them with Mrs. Patricia Romanov of St. Albert offering comments on the music, plot and roles.

Mrs. Romanov received her musical training at Syracuse University and toured North America with the Charles Wagner and Salmagatti Opera Companies for several seasons. She now resides in Grandin Park

The evening program will include a display of books on the opera and coffee will be served. The program will begin at 8 p.m. in the library lecture room. If you are a seasoned opera goer or a novice plan to attend this Opera Preview.

C of C Plans Made

The St. Albert and District Chamber of Commerce announced this week plans for an important dinner meeting to be held Tuesday April 10 in the Roman Catholic church basement.

Cocktails will be served at 6 p.m., dinner at 7 p.m., followed by a short business meeting at which vital local issues will have to be discussed.

In view of 1973 being RCMP Centennial Year, the Chamber has invited an RCMP official who will be guest speaker.

Akins Junior High To Be Occupied April 9th

After months of deliberation, weighing the pros and cons of immediately taking over the old Paul Kane school to relieve Sir Alexander Mackenzie of 12 junior high classrooms, No. 6 Separate Board decided to make the switch April 9.

No. 6 Board was forced to move carefully and again come up with the right decision in this issue because of the money involved plus the wisdom of establishing a separate junior high plant in mid-term. However, once all aspects were studied, No. 6 Separate School Chairman C. Schroeder and his four trustees, Jim Wilshire, Dr. W. Cuts, Bill Webber and Don Munro approved the move.

Effective April 9th, 12 junior high classrooms from SAM will move into the old Paul Kane School, renamed Lorne Akins Junior High and finish the term there.

Breakfast Lion President Stan Shottland (left) congratulates his successor Elmer Harrison who was elected president at the annual meeting Tuesday morning. At right is newly-elected first vice-president Harry Hutchings. The new executive will take office July 1, 1973.

Ratepayers CONTINUED FROM PAGE 1

advertisements as published in The Gazette. Mr. Thiel's suggestion was that council describe the zoning maps and advertisements, thus explaining to the readers "what is going on." Mayor Gibbon replied that this very same question had been brought to council's attention quite some time ago and a change in advertising zoning bylaws will be studied to make the whole proposal easier to understand.

Barry Breadner asked what St. Albert's present land area could accommodate in terms of population and he was told that approximately 35,000 people is the figure presently being used. Mr. Breadner enlarged his question by asking what would St. Albert's population be if all areas were developed. To this query, no figure could be produced, either from council or ERPC town planner Wayne Gordon. However Mr. Breadner was informed that information

is forthcoming in this regard including projections for the future.

Details of green areas in town prompted Mayor Gibbon to explain that at present 10 per cent of gross land scheduled for development is dedicated for public use. The mayor further explained that this amount may be increased to 15 per cent.

Mr. Breadner fielded another question, this one dealing with the present water supply system. He was informed that the system as is, will serve a population of about 17,000. Mayor Gibbon elaborated on this point by saying that town water studies are continuing and results of these may be made public soon. Mr. Thiel asked about the water/sewage loan and he was informed that the town had been granted a CMHC loan of \$2.5 million for that purpose and that a portion of this loan will be ultimately forgiven, thus reducing the pub-

lic debt by perhaps as much as 16 per cent over the years.

This brought about another related question, this one dealing with the Allarco annexation application. Mr. Thiel wanted to know if St. Albert needed the Allarco land development to pay for water/sewage expansion projections along with the remainder of St. Albert proper. The answer was "yes." To further clarify the issue Mr. Henderson asked what population figure would be required to pay off, through off-site costs, proposed water/sewage systems and the answer was 65,000 people including about 20,000 residents in the proposed Allarco property. Mayor Gibbon did, however, point out to the meeting that the Allarco annexation application now rests with the Local Authorities Board following the recent public hearing "at which we and the MD of Sturgeon opposed the application."

Roger Gariepy expressed concern with St. Albert's delay in obtaining a power franchise with Calgary Power. Councillor John de Bruijn handled that question simply by stating that council had been negotiating with Calgary Power since 1968 and hoped to eventually come up with a good, equitable franchise for St. Albert. Mr. Gariepy pressed to know what points were under negotiation and appeared to be hard to resolve. To this, Mr. de Bruijn declined to publicly divulge this information since negotiations were continuing.

Councillor Frank Lukay told the ratepayers that the recent transportation poll revealed that St. Albert citizens favored a transportation expenditure of up to 1 1/2 mills. He revealed that council was presently deep in negotiations while studying the entire bus issue. Mr. Thiel suggested that St. Albert purchase a bus to provide a shuttle service within the town but when Councillor J. J. Bakker revealed costs of such a proposal, the question was dropped.

More on transportation, Mayor Gibbon announced that council has received new bus schedule proposals and said that these will be discussed at the April 2nd meeting of council. A ratepayer complained about the unsatisfactory scheduling now in operation and to this Secretary-Treasurer Russ Bowen informed the meeting that Western Bus Lines was aware of the situation and promised to come up with a more suitable schedule.

TUNE-UP SPECIALISTS

YMCA appoints new representative

Jo Ann Resler was appointed St. Albert representative for the YMCA, March 18. She graduated from the University of Alberta in May, 1970 with a Bachelor of Physical Education degree, plus one additional year at the university.

Jo Ann has extensive training in swimming and worked at swimming pools through her high school years. At 18 years of age she supervised the Vagreville pool, and for the two years following she was assistant supervisor in charge of instruction at the St. Albert pool.

After graduating in May, 1970, with a Bachelor of Education degree from the University of Alberta, Jo Ann was sent to Jamaica by the Canadian Red Cross,

JO ANN RESLER

to assist in establishing a water program there. In September she began teach-

ing for the County of Parkland at Spruce Grove.

Jo Ann with her husband, Fred and baby Celeste now live at 9 Farmstead Ave. Mr. Resler has taught physical education at Paul Kane High for the past five years.

Her first task as YMCA representative has Jo Ann working in the Canadian Fitness testing program in District #6 schools, and she hopes that her new work will enable her to get to know many people in her new home.

PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the lands west of Langley Avenue and north of McKenney Avenue as shown on the plan below presently zoned Residential Comprehensive (RX) to Residential - Single Family (R1C).

from RX to R1C

The proposed Bylaw #14/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 16th day of April, 1973 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 10th day of April, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the lands north of Leddy Avenue as shown on the plan below presently zoned Residential Comprehensive (RX) to Residential - Single Family (R1C).

from RX to R1C

The proposed Bylaw #15/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 16th day of April, 1973 at 7:55 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 10th day of April, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. W. Bowen,
Secretary-Treasurer.

Budget Debate

CONTINUED
FROM PAGE 1

which includes communities such as St. Albert and Sherwood Park, said Mr. Jamison, and went on to mention Gibbons, Ben Accord and Morinville, who have had an upsurge in population, of people who are commuting to Edmonton. "This also applies to acreage developments within the MD. Five years ago we had about 400 of these -- today we have approximately 1,000," he stated.

He cited as an example of the affinity between satellite residents and local governments, a recent by-election when 10 candidates ran for two positions -- one council and one school board, and suggested that if St. Albert had one voice "crying in the wilderness in a unitary government, we would just get a few thousand more people throwing up their hands -- 'we can't fight city hall'!"

He also felt that the present attitude of the majority of Edmonton City councillors, "who have extended themselves to a consideration of curtailing the provision of basic services such as water to outlying communities has brought matt-

ers to an impasse. In effect the City has seemingly suggested -- that the benefits of Unitary Government must be duly accorded to -- or the provision of basic services -- and the joint use of other services -- such as transportation and sewage facilities -- will not be provided."

Mr. Jamison thought individual communities should have the right to argue and to disagree, and he favoured what he said were legitimate alternatives to unitary government, such as establishing metropolitan water and sewage boards, transportation boards, and giving more teeth to the existing planning commission. He is also persuaded that many Albertans in communities near Edmonton and Calgary would favor this route, and said that "close co-operation, planning and open discussion of alternative forms of metropolitan government should be carried out."

He applauded the doubling of the budget for environment and re-iterated his support for parks near large cities and for continuing work to clean up the Sturgeon and major rivers in Alberta.

In conclusion Mr. Jamison invited the members of the assembly to visit the Father LaCoe Museum in St. Albert, and warned that he would be looking for "every spare dollar" to assist this St. Albert project.

Three students of Sir George Simpson Junior High received honourable mentions for their short stories in a recently completed nation-wide contest. Jackson Briggs' entry was entitled *The Experiment*, Cornelius Hadziyev submitted a story of a Crisis on Mars while David Wilhelm wrote on *Death of a Friend*. These three distinguished budding authors were in competition with 1,700 entrants from across Canada, 35 of whom came from Alberta. The three honourable mentions were presented to the three St. Albert students at The Edmonton Club by a representative of the sponsoring body, Canada Permanent Trust Co. Standing at rear are Mrs. Sheila Jensen and Mr. Anton Hesby, Grade 9 teachers.

SAM School Open Area Ready For Modifications

The St. Albert Separate School Board moved its regular bi-monthly meeting ahead from Wednesday to Monday this week since Trustee Bill Webber would have been absent on Wednesday due to other commitments. Chairman C. Schroeder explained that regular meeting dates will revert to every second and fourth Wednesday as in the past and that this was just a special occasion.

With a full board in attendance, No. 6 trustees discussed three alternate plans for partitioning the open area in the Sir Alexander Mackenzie School. Purpose behind the plan, which will cost between \$23,000 and \$25,000 is to enlarge the school by nine classrooms, plus an ancillary room and audio-visual room. Architect Stan Hodgson explained the merits of the three alternate plans also pointed out technicalities relating to boot storage rooms, camouflaging pillars, streamlining entrances and the such.

After due consideration, the board unanimously ap-

Legion Pipe band

The St. Albert Legion #271 is pleased to announce that it has formed the nucleus of a Highland Pipe and Drum Band, and is now recruiting members. If you are over 12 years of age, and can play the pipes or a drum, or if you want to learn, contact Don Simpson at 459-5277 or Roger Stephens at 459-8763, or come to the Legion any Sunday at 11 a.m. to the practice session. The Legion is now holding a raffle to support the building fund drive and the band, so if you are asked, please buy a ticket.

Fisher Splits Openers

Shirley Fisher won her first game Tuesday in the Tournament of Champions and lost to the Derrick Club entry 11 - 10 in the afternoon, which puts them in B competition.

The Fisher rink were St. Albert Ladies Club Champions this season, qualifying them for entry into the first tournament for club champions in the Edmonton area, comprising 13 clubs. J & W Emblematic Ltd. is sponsoring the event, being held at the Thistle curling rink. Curling with Shirley are Bev Matoga, Ida Heyden and Lucille Osborne.

Finals will go at nine o'clock Friday morning.

Mayor's Annual Report Reflects Bouyant Year

On behalf of council, I welcome you to the St. Albert Ratepayers meeting relating to the year 1972.

During 1972, council consisted of the following members: John Baker, John de Bruijn, Bob Hudson, Rene Kambouroff, Frank Luke, Rod Thordson and myself. Rene Kambouroff resigned on November 21, 1972 and moved to 100 Mile House in British Columbia as the operator/owner of a motel-hotel complex.

The book surplus for 1972 was \$50,745.56, bringing the total book surplus to -- \$167,954.56. The 1972 surplus was primarily created through the supplementary tax assessment. Cash on hand at December 31, 1972 was very low due to land purchases by the town during the year. I would hasten to add that these purchases have created land assets which will do nothing but appreciate in the future.

143 ST. ALBERT ROAD -- PHONE: 599-8650

There were no debenture repayments added in 1972, resulting in a debt repayment decrease of \$8,665.06 for the year, for a total of \$278,252.87 in payments, or approximately 11.02 mills required from our municipal mill rate. This is excellent progress and I am hopeful non-funded debt will continue to be controlled in a very careful manner.

By bylaw, administration was changed to Chief Administrator (Mr. Dan O'Connell); Secretary-Treasurer (Mr. Russ Bowen) type of government and is working extremely well. We have high hopes for this combination in the future.

The St. Albert Fire Department, made up of six full time men and approximately 24 volunteers remained consistent in their efforts and were again awarded a certificate of excellence for their response and fire fighting abilities.

All departments of the town have functioned in an excellent fashion over the past year, which is particularly gratifying in view of the adverse circumstances and the large growth factor of 19.4 per cent. The town population increased by 2,451 people to a total of 15,088 during 1972. 1,069 building permits were issued, 894 of which were residential dwellings. Live assessment has increased

by \$4,109,390 to \$25,245,680. This has created a very heavy workload for town staff, resulting in a study being carried out for both additional staff and space.

The Local Authorities Board conducted two hearings in the town during 1972. The first resulted in the annexation of land in the northwest sector to the Town of St. Albert. The second related to a sanitary landfill site located south on 170 Street, approximately 3/4 of a mile from the southern town boundary. Approval has been received this month and we are hopeful that the site will be operational this summer.

A hearing by the Canadian Radio Television Commission was conducted during October 1972. The successful applicant is Capital Cable TV Ltd. and I have been assured by Mr. Jim Shaw, president of the company, that we will have a local studio and programming on the community channel shortly after cable and radio hook-ups have been started in September of this year.

I can not give you any prediction with respect to the municipal mill rate for 1973 as both municipalities and school boards are waiting for regulations to be issued by the provincial government relating to budget guidelines; and we know what the regulations are, we are not in a position to finalize our mill rates.

In closing, I would like to thank the citizens of St. Albert for their generally co-operative attitude with respect to problems that have arisen, as well as the vast number of volunteers who always seem to turn up when required to operate the various programs within the town. Again, it has been a very exciting, productive and gratifying year to me.

AROUND TOWN

The happy hour regulars helped Pat Peterson celebrate her 'top of the hill' birthday Friday afternoon, when Shirley Holman brought a fancy cake to the B.I. rec centre, Stan supplied a knife, improvised plates were found, and Pat received congratulations all around from such friends and associates as Gordon McIndoe, Shirley Martin, Marg Lovett, Jim Wiltshire, Glenna Erickson, Harry Hutchings and others.

YEARLY SUBSCRIPTION -- \$4.50 BY MAIL

Every couple attending the wind-up dance Friday night for the St. Albert Junior Bruins Hockey Club, will have two chances out of 300 on a trip to Hawaii, which they can take anytime up until the end of March, 1974. Which is a pretty good betting average.

Another highlight of the evening will be the announcement of the most valuable player, selected by players' ballot. The player will receive the St. Albert Sports trophy and the Rene Pouliot trophy for the high scorer will also be presented.

Otherwise the plan for the evening is to 'have a ball' - no speakers, lots of dancing, refreshments and a late supper. The party starts at 8 p.m. in Calder Hall at 127 Avenue and 129 Street, and dancing is from 9 p.m. to 1 a.m.

Get your tickets from the Sports shop or a Bruin club member for a great night out and a chance on that door prize trip to Hawaii. Only 300 will be sold.

RECREATION HIGHLIGHTS

Announcements about recreational activities being carried on in St. Albert appear in this column through the courtesy of the editor. It is, however, impossible to refer to them all each week. Information can be obtained by phoning the Department of Recreation at 459-4601.

Most winter activities are drawing to a close after a busy season and summer programs are now being planned. St. Albert has a very high proportion of young people and each year there is increased participation in all activities and more coaches than ever will be required for outdoor sports this year: Baseball, soccer, softball etc. So when planning for summer, try and include some time for coaching or managing a team of boys or girls. Phone the

recreation department if you feel like volunteering your services - or if you would like information about what goes on in St. Albert during the summer.

LOST AND FOUND:

Since the rinks closed, a few articles have been retrieved from the lost and found boxes which are at the Town Hall in the recreation department. All the items will be disposed of if not claimed immediately, these include skates, boots, mitts, jackets, etc.

PHYSICAL CULTURE:

Registration for physical culture (girls 12 to 16 yrs) is scheduled to take place on Wednesday March 28 at 7 p.m. in the Clubhouse. Where the class will be held depends on the number of registrations and the girls will be told where to go the following week.

GOLF:

No more registrations are being accepted for the Learn to Golf School, which is at present in progress at Paul Kane High School.

SOFTBALL:

Registration for girls softball (8 to 16 years), sponsored by the Hercules Sports Association will be held on Saturday, March 31 and Saturday, April 7 at St. George Simpson School, 50 Grosvenor Blvd., from 9 a.m. - 12 noon on each day. The cost is a \$4 single membership in the association or a \$6 family membership which entitles members of a family to participate in any of the programs sponsored by the Hercules Sports Association.

Registration forms can be picked up in the recreation department at the town hall. They will also be available at the time of registration.

BASEBALL:

Registrations will be accepted at St. George Simpson School, Grosvenor Blvd., on Saturday, March 31 and Saturday, April 7 from 9 a.m. to 12 noon on each day. This program is for boys 8 to 17 years and the fees are \$4 for the 12 years and

Around Town

Mrs. Maria Kordon was telling us this week that plans for the carnival are going ahead full steam and the St. Albert Figure Skating Association is working on what they hope will be the

best carnival yet. If you enjoy carnivals and displays of good skating plan to attend Around the World in 80 Days April 13 and 14.

Ph. 459-7144 for GAZETTE

The Society has been very generous in its support of the activities sponsored by the Hercules Sports Association and the executive of the association invites all the parents of the young people involved in their programs to attend. By helping the Society they will be helping themselves - besides which the Society runs a very good dance!

ARENA SKATING:

There will be no public skating in the Arena on Sunday evening April 1. Public skating is scheduled from 2 to 4 p.m. on Saturday afternoon as usual.

LONDON SOCIETY:

An advertisement appears elsewhere in this issue announcing the London Society dance to be held in the Club Mocombo on Saturday March 31.

That new voice on the phone at Town Hall belongs to Mrs. Murray Keyes and the redhead is now over at Weston Construction Products. Both Olive and Glenna Erickson report they are enjoying their new jobs.

Commenting on the Folks and Kids bowling winners in Provincial competition, and the Five-Pin championships where St. Albert boys and girls also did well, Nina Bile of Grandin Bowl, herself a well-known bowling champion, said the very best part of the events was the comments she received on what a "nice bunch of kids" they are. I get this kind of a remark everywhere I take them said Nina.

"Are you sure your boss is not in his office?" asked the salesman suspiciously. "Are you doubting his word?" replied the secretary.

Comets win in Westlock -get back in series

The last three weeks for the Comets must remind them of a giant yo-yo championship. There have been so many ups and downs it makes one wonder what could possibly happen next.

The action started March 10 when Comets scored a last second 5 - 4 win over Fort Saskatchewan to take a one game lead in the best of three series, and came back the next night to wrap the series up with a close 4 - 3 win. This put them into a best of three series with Banff Bisons in provincial intermediate A action. Winner of that series would play High Prairie for the Alberta championship. Things at this point were definitely up.

Prior to playing Banff on the weekend, Comets had to start league semi-finals with Westlock Thursday night - away from home because no ice was available in St. Albert.

Comets must have been thinking mainly of the Banff series as they took a bad 7 - 2 thumping by the Eagles to fall behind 1 - 0 in the best of five series. This had to be a put down as Comets had beat the Eagles in three of

four league games and two provincials.

The Banff series started Saturday, March 17 and Comets were beaten 4 - 2 on two third period goals. The game could have gone either way.

The following Monday Comets travelled by car to Banff where they quickly took a 1 - 0 lead on the only goal of the first period. Things looked great at the end of the second as they led 3 - 1. Banff came back with three straight goals to go ahead 4 - 3. With only a couple of seconds remaining, coach Gary Checknita scored the tying goal only to have the referee disallow it, claiming time had run out.

This was definitely an up and down situation, particularly as the Comets felt they could have taken Banff back in St. Albert.

The disappointment must have had an effect on the boys as they were bombed 10 - 3 Thursday night by the Eagles to fall behind two games in the series. With their backs against the wall on Sunday the Comets came through with an easy 4 - 2 win to keep

their league playoff chances alive. As you can see there have been a lot of ups and downs along the way although the hockey action hasn't suffered as the Comets have given their fans some terrific games.

Another high spot for the Comets was sponsor Rudy Scheibelhofer gaining a better gate split for playoff games which would mean a healthy bank account if the Comets could keep winning.

Ron Fournier opened the scoring at 10:34 knocking in Al Laplante's pass. Ted Rogers put them up 2 - 0 at 16:53 but Wayne Rimmer put the Eagles on the board at the 18:00 minute mark, and the opening period ended 2 - 1 in St. Albert's favor.

Rogers scored his second of the game with only 55 seconds remaining in the second period to put Comets ahead 3 - 1. This proved to be the winning goal as both clubs managed one each in the final 20 minutes. Leo Provincial scored for Westlock while Harvey Kirkland replied for St. Albert.

The Comets now feel they are back playing the brand of hockey they are capable of and believe they can take the series in three straight games.

They will get their chance for a in a row tonight when the Eagles are in town for a game starting at 8:30.

Should the Comets defeat Westlock, then the fifth game will be played Friday night at 8 p.m. in the St. Albert and District Arena.

Louis Martineau holding the Most Valuable Player Trophy receives congratulations from Rene Georget, who also presented him with the Legal Hotel Trophy for annual competition among players of the Legal Citadels Canadiens, senior hockey team.

Martineau voted valuable player

At the annual Legal Citadels Canadiens senior hockey banquet and awards night Saturday, Louis Martineau was awarded the Legal Hotel Trophy as most valuable player. Louis' older brother Art was the first winner of the award exactly 10 years ago.

Louis is one of the top defensemen in the Sturgeon Valley Senior hockey league and one of the most respected.

Legal coach Claude Maurier says Louis is a great asset to the team, being able to play defense and forward as well. He would also need the pads if asked to do so.

Martineau's versatility carries on into the summer as well. He plays centre-field and catcher for the St. Albert Willowbrook Saints.

In his spare time he finds time to do an excellent job in running the St. Albert and District Arena.

Hats off to a true sportsman and gentleman.

Senior Hockey awards presented at banquet

The annual hockey players banquet and hockey awards night was held Saturday night at the Community Hall. After grace, said by Walter Vande Walle a delicious turkey supper with all the trimmings was served.

Master of ceremonies Leon Brisson asked everyone to go upstairs where the awards would be presented. Tension began to mount as the presentation grew near.

Bunk Fizer, president of the league said it had been a better year in many ways, especially in understanding and financially. He commended the players for staying in the playoffs and said "those Scorpions couldn't be stopped but we'll try again next year."

The Legal Oldtimers coach Bob Holzer spoke on behalf of the players. Bob said the team was made up of members of the community that enjoyed playing hockey and the good spirit and understanding was tremendous amongst the team. Bob also thanked the businesses that completely financed the new sweaters for the team. Clarence Joly received the trophy for the most valuable player and Raymond Tremblay was awarded a trophy for the second most valuable player.

Claude Maurier, coach of the senior team, thanked everyone for coming and said he enjoyed working with such a "great bunch of guys." Claude told the people that the trophy winners were voted by the players.

The top scorer award went to Denis (Red) Pelletier, second top scorer trophy was awarded to Laurent Coulombe. Gary Kalya received a trophy for top defense, top sportsman trophy went to Remi Cyr. Rookie player trophy went to Gerald Letourneau, while Louis Martineau was awarded a trophy for the most valuable player. Mr. Rene Georget also presented him with the annual Legal Hotel Trophy.

Captain and power skating instructor "Red" Pelletier on behalf of the players presented plaques to coach Claude Maurier, manager Maurice (Liz) Pelletier and Claude Chamberland, equipment manager.

Omer Pelletier, member of the Rec Board thanked all the ladies that put in so much time and effort in the operation of the concession booth in the arena during the

Legal's leading scorer Dennis "Red" Pelletier (right) received the Legal Recreation Board trophy while coach Claude Maurier holds a plaque he received from members of the team at the annual hockey banquet.

winter months, also to the men who worked with him, and the caretakers.

Leon Brisson chairman of the Rec Board thanked Mr. and Mrs. Larry Mitchell from St. Albert for coming to the banquet and awards night and for taking pictures. He also extended special

thanks to the people who helped and to all those who intend to give us more help. The evening continued with refreshments and dancing to the music by "Juliette."

The Junior High School curling champions again this year are the foursome from Sir Alexander Mackenzie who are shown above receiving the trophy for the third consecutive season from Nick Chodan, assistant principal Sir George Simpson Junior High. Left to right: Kelly York, skip; Greg Brandenburg, third; Jodi Thompson, second and Lois Waldie, lead. The 15-game series ended with a banquet served and prepared by Mrs. Joan Parkin, Mrs. Elsie York, Mrs. Ida Heyden and Mrs. Jean Kane.

Hercules Soccer

There will be a midget soccer practice at the Sir Alexander Mackenzie School gym on Thursday evening March 29 at 8 p.m. A coaches clinic will be held on Thursday, April 5 at 7:30 p.m. at Sir Alexander Mackenzie School gym at which the rules of soccer will be outlined. This is intended to provide a basic understanding of the game for those with little or no previous soccer experience and also help to jog the memories of those of us who feel they need a little refresher. All those interested in assisting with the soccer program are welcome.

Lists of all boys registered in the various age groups will be available for the EMYSA coaches this week.

A few vacancies are still available in all age groups. Phone 459-8081 for information.

Pee Wee B Hockey Action

Last Sunday the St. Albert Legion team travelled to Namao for a game with CFB Edmonton. St. Albert came away with a 4 to 1 victory but the game was a lot closer than the score indicates.

Ken Williams in the nets for St. Albert played one of his best games of the season as he kept the CFB team off the scoreboard until the last minute of the game.

Bob Parent and Glen Dobie each scored twice. Perry Smith and Bill Sinclair each got an assist.

Many parents and families of the boys took in the game and reported they enjoyed it very much.

Many hotels place signs in the rooms reading, "Have you left anything?" At today's prices a more appropriate sign would be, "Have you anything left?"

St. Albert High Students Win Badminton Playdown Berths

Badminton players from St. Albert High fared extremely well in the conference eliminations leading to the provincial High School Badminton Championship.

On Saturday, 105 students

from eight high schools took part in conference badminton playdowns at Vital Grandin and St. Albert gyms. After five hours of competition, 24 of the participants earned the right to advance to the North Central Zone tournament.

In girls singles play, Sandy Willias and Patty Ann Drouin placed first and second while in boys singles Dave Cook and Bill Leonard placed second and third behind Rod Kennedy of Ardrossan.

In girls doubles, Vivianne Servant and Brigitte Koch placed first while teammates Cindy Smith and Cathy Medland placed third. In boys doubles, Steve H-fart and Roy Gamache placed third behind teams from Redwater and Ardrossan.

In the zone competition on March 31, singles events will be held at St. Albert High with doubles events taking place at Vital Grandin.

Five pin bowlers do well in city

The Edmonton Five Pin Association held their annual Youth Team Championships March 18. This is the tournament to which all bowling houses send their best representatives.

St. Albert bowlers placed second in each of the pee-wee, bantam, junior and senior mixed events. The seniors from Paul Kane High lost out by 15 pins. They were the last division to bowl, so that the pressure was really on to place at least second. They came

through. The high placings indicate a good performance by the four local teams:

PEEWEE: Brent Lewis, Debbie Lopez, Debbie Brock, Leanne Moore, Doug Nelson, BANTAM - Larry Schuchard, Wendie Benton, Pam Hill, Melodie Shaw, Scott Payne.

JUNIOR - Jim Hentig, Rose Shaw, Kim Bittman, Marilyn Kelly, Gary Westcott.

SENIOR - Tony Nielson, Sandi Sutherland, Grace Frey, Donna Sutherland, John Anderson.

Grandin Flowers Ltd. Move To Larger Site In The Mall

Mrs. Audrey Penny, founder and operator of Grandin Flowers Ltd. will be moving her flower shop to new and more spacious quarters this week.

Mrs. Penny who started her business venture in February 1968 here in Grandin Shoppers Park has a real success story to tell. From

a humble beginning in quarters measuring about 600 square feet located at the Eastern end of the Shoppers Park, Grandin Flowers

Ltd. today has grown into a thriving and highly reputable florist and will move into a new 1,300 square foot site up The Mall, right across from Super City Drugs.

"We have simply outgrown our present premises," Mrs. Penny said, "and we're now looking forward to moving into our larger premises soon where we'll be able to offer our customers better facilities."

The new Grandin Flowers Ltd. site was completely designed and decorated according to Mr. and Mrs. Penny's drawings. A customer walking into 33 Grandin Mall immediately gets the impression of stepping into a quaint flower cottage. Display coolers form part of the main cottage front picture windows in which customers will have a wide array of bouquets and flower arrangements to choose from. The full cottage effect is made complete by the partial shake roof, cedar siding front and Alpine windows.

Mrs. Penny explains that her new store will offer a new feature to customers and this will be a private consultation room where orders for special occasions can be discussed in privacy.

"We have always felt that families planning weddings, funerals, anniversaries and the such, want to discuss such arrangements in private," Mrs. Penny said,

"that is why we decided to establish this private consultation room."

Another service Grandin Flowers Ltd. is introducing is floral tribute arrangements made by appointment in the privacy of your home. This may seem to be a duplication of the consultation room in the new flower shop, however, that isn't so, according to Mrs. Penny. She explains that in many instances floral tribute arrangements can become quite complex and often involve senior citizens who appreciate discussing details in the privacy of their home.

"That is why we are extending our services to the home by appointment."

New hours of business in Grandin Flowers new store will be extended from 9 a.m. to 9 p.m. Monday through Friday and 9 a.m. to 6 p.m. Saturday. To cope with these additional hours of business, Mrs. D. Pritchard, who has been working part time will now be added to the staff on a full time basis. New additions to the staff are two part time employees, Mrs. L. Jacques who will be working evening shifts and Mrs. Betty Willems, part time on days.

CWL Annual Convention

The 17th annual Diocesan CWL Convention will be held and hosted by the St. Paul Parish Council in the Regional High School in St. Paul, Alberta on April 10 at 9:40 a.m.

Mrs. Hugh Lecky of Picardville, diocesan president will preside at the convention. Diocesan executive and parish presidents will meet

in the evening of April 9 for a pre-convention meeting. The theme this year is "The Joy of Being a Christian." Bishop Roy will be guest speaker at a noon luncheon, and will talk on the theme. The highlights of the convention will include a talk on the vocation of marriage followed by a discussion; a discussion on CWL pro-

blems, ways to improve the league and a tentative program for the coming year. There will also be information about the National Convention, which will be held in Edmonton on August 20 - 25.

Mrs. Stella Niedzwiecki of Calgary, the Provincial CWL President will attend the convention.

RCMP Plan Project For Local Students

Members of the St. Albert RCMP detachment are undertaking a project which will involve students of both St. Albert school districts.

Essays are being submitted by students of all grades, and RCMP plaques will be awarded to one winner from each grade level of each school system. The essays will deal with the role of the Force in the past and at present.

In addition to the 24 plaques, two grand prizes will also be awarded, for the best essays from each of the two systems. The grand prizes will give two students a paid round trip and tour of the RCMP Training Division at Regina, Saskatchewan.

To aid students in researching their essays, the local detachment has arranged a special display, with the cooperation of Standard General Construction, at the Standard General shop on Bellerose Drive. The display will continue throughout the day on April 6, and will be presented in a manner to show the different present-day duties of the

Mr. and Mrs. Dean Ismail, owners of St. Albert's new Red Rooster, located in Sturgeon Shopping Plaza couldn't take time off to have their picture taken. The above shot was snapped while customers were being waited-on.

Force. It is entitled "Your Royal Canadian Mounted Police."

The project resulted through a suggestion, and a great deal of assistance, from Sylvia Walsh of St. Albert.

Exasperated hubby: "It's a nice day. I think I'll take our little demon to the zoo," Tired Mom: "Oh don't bother. If they want him, let them call and collect him themselves."

Red Rooster Outlet First To Occupy Sturgeon Plaza

An attractive convenient grocery outlet is the first business firm to open in St. Albert's brand new Sturgeon Shopping Plaza complex located on The Trail and Hebert Road.

The Red Rooster, a franchised neighborhood grocery store forming part of the Horne and Pittfield Group belongs to Mr. and Mrs. Dean Ismail, a husband and wife team with over 10 years

Paperback boom

This spring, paperbacks are flourishing at the Public Library. Their bright colorful covers are blooming in the adult and juvenile departments. Over 450 have flowered already and more are on their way of all varieties from Sex and the New Single Girl to the I Ching, from How to Buy Mutual Funds to How to Play Tennis. Drop in and pick a few!

A copy of the Minutes of each town council meeting is now kept at the public library. These are available to all and are located in the reference area.

Books were received this past week on interlibrary loan from Winnipeg Public Library and Trent University Library for local residents. This service is free to all borrowers and brings the entire library resources of the province and the country to St. Albert residents.

experience in the food business. Mr. and Mrs. Ismail also own an M & M store at 166 Street and 83 Ave., Edmonton which they operate with the help of a resident manager and complete staff.

Mr. and Mrs. Ismail's Red Rooster store in St. Albert covers 2,000 square feet of floor space, divided into 1,800 square feet of sale area and 200 square feet for storage. The brand new premises have been open since Friday, March 9th while assembling stock and putting finishing touches to fixtures and various items of equipment.

"We have now ironed out all the bugs in our new store," Mr. Ismail said, "and we're all set for our Grand Opening March 29, 30 and 31."

Besides offering extra attractive specials, the Red Rooster's Grand Opening celebrations will include doughnuts and coffee for its customers who want to drop in and get better acquainted. There will also be handouts for the kiddies plus three draws for portable television sets. These sets will be drawn on Grand Opening Day and during the two subsequent weeks.

President puts the case for wide public support - Historical Society

The more than 70 residents who attended the Historical Society Open House recently were enthusiastic in their comments on the film "Father Lacombe OMI." It was shown in color and well produced to show the warm human qualities and happy and engaging personality of the famous missionary priest, along with his strength, dedication and love of the metis and native people and their wilderness land.

Many of those present toured the museum and about 40 took advantage of the opportunity to become members of the Historical Society.

President Arlene Borgstede in her address first reviewed the history of the little log chapel built on the hill overlooking the Sturgeon, which was to become the nucleus of St. Albert settlement and eventually the Father Lacombe Museum. She introduced Father Bideault OMI, who along with Father Jan was instrumental in the preservation of the chapel.

She spoke of artifacts kept in the museum over half a century; personal effects of Father Lacombe, Bishop Grandin and other Oblate priests, tool and household items dating back to the days of early settlement here. Indian and Eskimo artifacts collected by missionaries, and numerous unrelated items ranging from a knitted cape from Bolivia to carved rosaries from Jerusalem

and lava from Mt. Vesuvius. The condition of the building and lack of heat were not conducive to preserving leather, paper, wood, etc., and there was a lack of funds to maintain and repair the building, said Mrs. Borgstede.

Late in 1969 it was evident to Father Levangle that steps must be taken at least to up-date and re-do the displays within the museum. Volunteers were sought and approximately 60 people have assisted with this project over two years. "I realize that singling out individuals is dangerous," said Arlene, but she mentioned Ruth Horne and Andre Duduc as examples of the dedication which has been shown in the preservation of the history of our town. Tony Deschenes supervised construction of display cabinets. Arlene co-ordinated cleaning and cataloguing artifacts and Brother Andy Boyer directed the composition of the new displays.

The more the volunteers did, the more they came to realize that some major decisions would have to be made concerning the museum. A board was formed with representatives from the Archdiocese of Edmonton, the Oblates and St. Albert Parish. The town was asked to have a representative and Mayor Gibbon joined the board, also Father Levangle and Brother Andy, as acting curator. Three more members from the community were added as well.

The St. Albert Historical Society was formed and chartered July 31, 1972. The society looked at all the needs from many angles, considering every possible alternative and finally decided to begin plans for a new museum building built around the original chapel. Funding is of course a major hurdle and the society is exploring all available avenues.

Mrs. Borgstede also spoke of other objectives of the Historical Society, in preserving old buildings, the histories of oldtimers and original settlers, compiling a local history of the town and others.

She was both eloquent and convincing in her appeal for

the support of those present and of the entire community for the Society and the new museum building, and St. Albert is fortunate in having a woman of Mrs. Borgstede's energy, talent and determination as president of its new historical society. The society would welcome many hundreds of residents as members, and every volunteer who is interested in working with them to preserve our historical heritage.

Renee Laird, secretary, supervised the serving of coffee and a marvelous array of small cakes in the Lacombe room of the St. Albert Roman Catholic Church to conclude the open house.

9:00 A.M. - 4:30 P.M. -- ASK FOR DENNIS

The Lions Club Zone Social held Friday night in Gibbons drew a large crowd and proved a thoroughly entertaining evening. Six clubs were represented, two from St. Albert, Clyde, Bon Accord, Morinville and the host club, Gibbons Lions.

Master of ceremonies for the banquet was Earl Toane, who had a versatile repertoire of anecdotes which he used to good advantage. Earl introduced head table guests Zone Chairman Ken Moore, Irene Holmes, Art Stapleton, Zone co-ordinator and cabinet member, Shirley Holman, Rhonda Stapleton, Rock Holman, Jean Toane, Lorraine Moore, Mayor Spencer Holmes. Also introduced were Lion Ernie Jamison, MLA and Mr. Charles Brumfit of Gibbons who will mark his 100th birthday on March 29, and who was given a hearty round of applause.

Following an amusing story about the golf limitations of Art Stapleton, Mr. Holman talked in serious vein about Lionism, and told his audience that the Lions are one of six clubs in the world who have permanent representation on the Council of United Nations.

He traced the growth of Lionism from the original club started by one man in the United States, who wanted to see men work together for service to their fellow man, as opposed to mens clubs operating to further business interests. "By 1960, said Mr. Holman there were Lions clubs in all the free countries in the Western world."

Membership in these clubs is now approaching the one million mark, being recorded regularly in the Lions magazine, so it is fair for me to say to each Lion here tonight - "You are One in a Million!" concluded Mr. Holman.

Ken Moore presented the District Governor with a gift from all the Lions in the zone and spoke of Mr. Holman's outstanding work in

Lionism. The gift was a handsome electric fondue.

Mrs. Holman received a beautiful large bouquet of

roses, presented by Mrs. Toane.

The social continued with several hours of dancing,

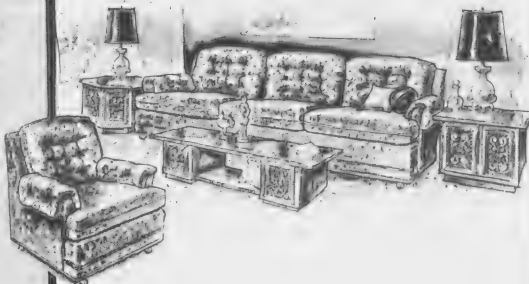

and an opportunity for Lions and their ladies of the six clubs to become better acquainted.

Lions Zone Social Draws Large Crowd

STERLINGS QUALITY 3-ROOM GROUPS

EDMONTON'S LARGEST SELECTION

Our Quality 3-room groupings are made up of selected pieces of Furniture that we feel are The Best Dollar value. Each room is priced separately, so you can design your own grouping to your own individual taste. Our groupings start as low as 448.00 and go up to 1,399 and higher. As delivery from our suppliers is becoming slower and slower it would be to your advantage to make your selection now so as to guarantee delivery when you need it.

My son will get help when he gets in court!

Unfortunately a program has not yet been developed to reach those in need of special help with various conceptual learning difficulties at the junior high level, and a good many students are being lost in the shuffle, said Dr. J. G. Paterson, speaking to a meeting of

the Sturgeon and St. Albert Association for children with learning disabilities.

One parent remarked that her son will get "help" when he reaches a court of law - and meanwhile he is left to flounder about in frustration and increasing hostility. Not a great deal can be done for the student who

has not received help before age 15, Dr. Paterson noted.

Dr. Paterson is chairman of the Edmonton Public School Board, Professor of Educational Psychology, U of A, and president of Canadian Guidance and Counselling Association, (among other areas of activity). He ensures that he has a half day in every week in which he works directly with children. In his own charmingly irreverent way, he professes little patience with professionals who allow themselves to get forced away from the real heart of their fields of endeavour - the child! "One must KNOW the child before he can be helped."

John Paterson is in favor of special facilities for spe-

cial children. There are many children who will not be able to cope with a regular program. And he feels that the dangers of special classes have been exaggerated. The Edmonton Public School Board has detailed plans prepared for the building of the T. D. Baker School, probably in northwest Edmonton, which would be modelled on the highly successful W. P. Wagner School. The provincial department of education is waiting on district school system participation before funding a second school for Edmonton proper. NOW is the time for concerned people to make it known to their school boards that this opportunity exists. Support is dwindling in the EPSB due to frustration over

apathy.

The importance of early recognition cannot be over-emphasized, Dr. Paterson advises that the provincial government funding for Early Childhood Services must be taken advantage of immediately so that good preschool programs can be formulated in which special children will be picked up.

He explained that the EPSB policy, of making ALL school records available for parents perusal, was contingent upon there being an interpretation made of the data. He deplored the use of outdated records and stated, only partly in jest, that the information should be taken down in disappearing ink so that no one could use grade one test results

in reference to a teen-ager.

Volunteer aide programs are being expanded in Edmonton and the local association was urged to promote them in St. Albert. Certainly, the welfare of all children is a community responsibility and volunteers could share in this responsibility by helping in any way that would allow the teacher to have more time to use special skills effectively in the teaching students.

The next S-SAACLD public meeting will be held April 16, at 7:30 p.m. in the Music Room of the Leo Nickerson Elementary School. Phone Ruth Wilson at 459-7432 for information on the work of the association.

Cadets Attend Taping Of Tommy Banks Show

Smile, You're On Camera ... this was the theme when virtually all of the St. Albert Air Cadets were afforded the opportunity of attending a recent taping of the CBS Tommy Banks Show.

Not only were the Cadets fortunate in observing the details of the interviewing of a celebrity, in this case Rod McKuen, they also saw the technical aspects of the taping of a half hour show. The members of the Squadron were able to view the

live performance of the show as well as seeing it on large color monitors.

It was a revelation to many Cadets to see that three cameras were in use to provide wide angle, close-up and profile shots. Still many others were surprised to see how program credits are projected on the screen. In this instance white letters photographed on a black background by one camera were superimposed over a live picture from a second camera which made the credits appear transparent.

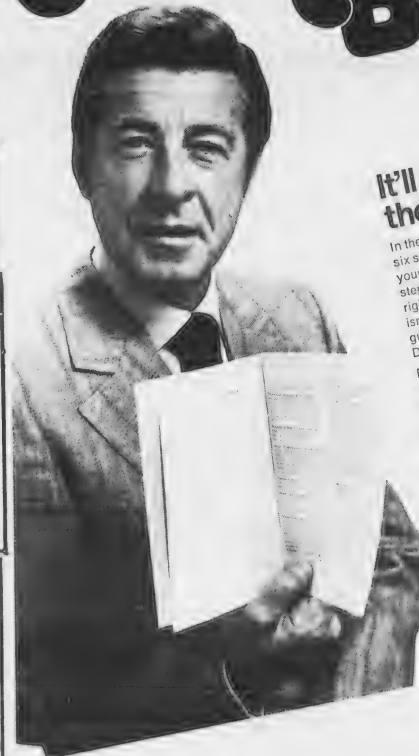

The Cadets will have the pleasure of seeing the show again when it is televised nationally on the 27th of April.

Yukoners will be holding numerous "hootchranies" this year to celebrate the 75th anniversary of the Klondike. Gold Rush. Hootchranies is a combination of "hootenany" and "hootznahoo," a Tlingit Indian word. Hootchranies means big Yukon party.

Rams Bottles

St. Albert residents who may be feeling a little put out with the fact that their bottles and papers were not picked up by the St. Albert Rams last Saturday, are asked to please hang on to them. The boys were not prepared for the overwhelming response of the people.

The lacrosse boys and 'the dads' had some of the younger boys scattered down the crescents expecting a 'no' at the odd door and that the young fellows would nip in and out of homes with the loads from each residence as the trucks moved through the crescent. We-e-lll thats not the way it worked out and as one hard working fellow put it "I haven't got off our crescent yet and I've been working since 8 this morning." The trucks that the fellows had scrounged had to be returned at one o'clock they had to quit.

The boys are very sorry to have inconvenienced anyone and are going to try to arrange this pickup as a Saturday thing. It seems to be a very popular service and a good way for the boys to make the money that they need to keep the association operational. Please look for them Saturday the 31st of March when they will be out again.

Fashion Show to feature St. Albert models

The St. Albert WI will hold their All-St. Albert Fashion Show on April 6 at the Father Jan auditorium. This annual event will be held in conjunction with the St. Albert merchants and St. Albert Stretch Couture.

Free coffee and cookies will be served, plenty of door prizes have been arranged.

Tickets are available from any member of the WI or at Robinson's Pet Shop at Grandin Shoppers Mall. The following models will

display spring fashions:

CHILDREN - Leanne Boutin, Terena Thronson, Shirlee Dalman, Maureen Venne, Kevin Perrott, Michael Taylor, Myles Cunningham, Terri-Lynne Critchley, Tammy Stevenson, Laurel Browten.

TEENS - JoAnn Olson, Celine Bourgeois, Colleen Klak, Allison Argy, Linda Garrett, Danny Kimball, Kevin Schram, Roger Belley.

LADIES - Irma Hill, Lily Szuba, Karen Grant, Eileen Gordon, Shirley Lutz, Faye

Reilly, Bert Freethy, Glenis Bauman, Beth Cunningham, Lorraine Stevenson, Margery Ogden, Joanne McGregor, Myrna Ferry, Alice Perrot, Sharon Lock, Dian-na Critchley, Anne Fitzgerald, Colette Bourgeois. MEN - Don Mills, George Simpson, Jack Flemming.

Want to make a friend for life?

Share your family with a foster child

We're looking for some very special people. Foster parents. People who can take troubled children into their homes and help them regain their confidence in themselves. People who can reassure abandoned, neglected and maltreated youngsters. People who can understand the problems of boys and girls with mental and physical handicaps. People who can extend unfailing patience and affection to seemingly unresponsive teenagers.

There are some 2,500 children in Alberta who desperately need these special people. Children who, through no fault of their own have been denied a normal and happy family life. If you think you can help by sharing your family, please give us a call. We offer no material rewards other than an allowance for the child's board, clothing, health care and tuition. The true reward is yours to find in making a friend for life.

Town Secretary's Report Reveals Year-End Surplus

A financial statement for the year 1972 has been prepared but as yet has not been certified by the auditors.

GENERAL REVENUE FUND
The Financial Statement for the year 1972 has been circulated to those present in a condensed form. It contains revenue and expenditures for the general account. The following comments are offered in regard to these statements:

The surplus for the year is \$50,745. The 1972 budget was balanced and surplus is realized because of \$222,000 of supplementary taxation. Land purchases and finalization of some problems reduced total revenue to the net result stated above.

The 1972 levy has exceeded \$2,000,000. The current levy collected is 97.54 per cent of levy. This is an excellent rating.

The provincial government has placed limits on the municipal assistance grant. We received \$265,091.70 against \$217,772. In 1971. The increase was due to our growth.

UTILITY REVENUE FUND
The water supply system deficit for the year amounts

to \$3,948.50 and the accumulated deficit is \$57,560. The rates reviewed in 1972 did not result in a proportionate increase in revenue and it suggests that the rates be again reviewed.

GENERAL CAPITAL AND LOAN FUND
Reserves for future development of the sanitary sewer system have accumulated to a total of \$288,164. Interest earnings and surplus from projects provide a cash surplus of \$236,150.

UTILITIES CAPITAL AND LOAN FUND
Reserves for the future development have accumulated to \$81,018 and surplus funds are in the amount of \$36,669.00.

Local culture group meets

Does St. Albert have a culture? And is it worth preserving? Some local residents think so and on Friday evening last about 25 persons interested in establishing a Cultural Coordinating Committee in the town met at the Clubhouse to hear a panel of speakers on this topic and express their own ideas.

Under the joint chairmanship

STATISTICS
Capital Liability per Capita \$199.00
General Expenditure per Capita \$231.00

The business of the town was conducted through the course of 99 meetings. Regular and special meetings of council totaled 33 and the balance of 66 were of Committee of the Whole and sundry other meetings.

The town is on the move and the financial statement reflects the extensive growth.

In the very near future, we expect that a certified copy of the financial statement will be circulated to all homeowners.

ship of Mrs. Florence LeFebvre and Mr. Keith Hamilton, the public meeting was designed to create an awareness of our local heritage and the incentives in establishing a Cultural Coordinating Committee in the town. For this purpose, representatives of the three levels of government were present —municipal, provincial and federal. Each contributed ideas and information on the human and financial resources available to the St. Albert Committee and invited local supporters to utilize all such means to encourage and preserve St. Albert's rich heritage.

This is the group of St. Albert Rangers and senior Guides who are working like beavers to earn enough money so they can attend International Camp at Ten Sleep Wyoming this summer, which would be a wonderful opportunity for them in many ways. They have made an orderly overall plan for a series of fund-raising projects and if hard work and determination can do it, the girls will get to the camp.

Father: "What do you want now - haven't I just set your husband up in business?"

Daughter: "Yes, but now he wants you to buy him out!"

The aim of the evening was citizen participation in community action. Consequently, the St. Albert Cultural Coordinating Committee invites active support from any group, organization, agency or individual concerned with this vital community activity. The committee will be announcing a Culture Round Table evening in next week's Gazette to which all such persons are cordially invited. In the interim, anyone wishing to know more about the group and its work should contact Mrs. Florence LeFebvre at 459-7030.

ANNUAL MEETING

St. Albert School District No. 3

Take notice that the annual meeting of the Electors and Ratepayers of St. Albert School District No. 3 will be held in the gymnasium, St. Albert High School on Tuesday, the 29th day of March, 1973 at 8 p.m. for the purpose of receiving the annual reports of the Trustees and such other business as may be brought before the meeting.

Copies of the financial statement will be available at the meeting or will be submitted upon request.

Chris McDonnell,
Secretary-Treasurer.

Comment From Ottawa Poverty is serious in Canada

(Hon. Marcel Lambert, M.P.
P.C. - Edmonton West)

If you are a single person with an annual income of \$2,013 or under, you are poor. If you are a member of a family of five with an annual income of \$5,368 or under, you are also considered poor, according to Economic Council of Canada poverty lines established in 1971.

Poverty is a serious problem in Canada, particularly in urban areas. In 1967, our metropolitan areas accounted for more than one-third of Canada's poor families and more than one-half of individuals living below the Economic Council of Canada poverty lines.

A 1965 study by the Canadian Welfare Council gave equally startling and depressing figures. The median per capita income of surveyed poor families was less than \$400 in St. John's and Montreal; \$500 in Toronto; and \$600 in Vancouver. This urban policy study found that 26 per cent of the families had no male head; 43 per cent of the households had a chronic physical problem in the family; 70 per cent of the males and females had less than a Grade 8 education; 46 per cent were unemployed for a period greater than 10 weeks; and their housing was judged to be "unfit" or "bad" - the lowest possible categories - in almost half of all the cases reviewed.

POVERTY OVER 65

An 18-month study, reported in January showed that about 50 per cent of Canadians over 65 live in poverty. The study refers to "the myth of the aged retiring to a life of respect, comfort and leisure" and points out that for those over 65, "whether you work or not you are destined to

obtain a minimum, subsistence income. So for some, the decision to leave the labour force is merely a decision to accept a different poverty lifestyle only. Faced with the choice of working and being poor and retiring and being poor, the latter choice obviously has its attractions."

POVERTY-CHILDREN

Last week, the National Council of Welfare, released a report on nutrition which showed that a great number of Canadians are undernourished due to poor eating habits. The situation is serious among children in poor families. The council reported that rickets "was supposed to have virtually disappeared in industrial nations, yet in Montreal's poorer sections a shocking 300 cases a year are now reported."

At a press conference on July 19, 1972, Prime Minister Trudeau told reporters "we have dealt in the past four years with the very important and urgent areas of helping the poor... and in the future I think there will be a less pressing need to act in those directions."

The most publicized program - the Family Income Security Plan - was supposed to be part of a larger package developed by the Trudeau government to fight poverty. But lack of co-ordination hindered the anti-poverty effectiveness of FISP.

Health Minister Lalonde has convened a conference of federal and provincial health ministers in April, to discuss the problem. But until the government is willing to undertake fundamental reforms, any attempts at solutions will prove to be unsuccessful.

Robert Stanfield told Canadians during a special CBC election broadcast that

part of the fight against poverty depends upon an effective, well co-ordinated attack on regional disparity - which we have not experienced over the past five years - and part of it depends upon help for those who are at the poverty level to work their way out of it.

Mr. Stanfield was not talking about the kind of welfare system that we have now, which tends to discourage people from the risks involved in taking a job and thereby losing their benefits, but about a social sec-

urity system which provides incentives to enable and encourage people to help themselves - to work their way out of poverty.

This is the view to which I subscribe. What do you think?

Marcel Lambert.

Opening Of New Premises Marks Twenty Years Growth - Morinville Credit Union

Over two decades of consistent growth will be celebrated on Saturday, March 31 at 2 p.m. by the members and residents of the Morinville district with the official opening of the new premises of Caisse Populaire Morin-

ville Savings and Credit Union.

The opening ceremonies of the new building will give those who attend an insight into the past history of this self-help financial business, built by the patronage and leadership of the people in the Morinville district.

LOOKING BACK

After the credit union was chartered on May 26, 1940, it was decided that deposits would be solicited on one Sunday every month after mass. The first president was Eugene Cournoyer, and Adrien Gibeau was secretary. The office then was in a private home. At the end of the year the subscribed capital was \$666.40, and loans extended for the year totalled \$935.00.

The net profit for the first year of operation was \$45.06 and 20 per cent of this amount went to reserves.

Loans without security were limited to \$25 and the maximum loans were \$100 each.

Four years later this credit union extended the loan terms to \$2,000. Among the many who have held the president's chair in this organization through the years were Mr. Hector Boissonnault, Mr. Leon Riopel, Mr. Armand Turgeon, Mr. Andre Sabouran, followed by Jacques Rousseau and the acting president now Mr. David

Bokenfohr.

The first building was erected in 1949 at a cost of \$5,000.00, and that same year the credit union instituted a chequing system. This credit union has come a long way since its inception, and at present its assets are over \$1-1/2 million.

The credit union still owns the building it erected in 1949, and has leased it out. The present building, which cost approximately \$75,000 including land and furnishing, provides all the com-

forts and facilities that the people of the community require.

Mrs. Tellier became the first partly paid treasurer of the credit union in 1946 to be followed in 1947 by Mrs. Effie Chevalier. The manager from 1949 to 1950 was Mr. Roger Bougie, followed in 1950 by Mr. Charles Krauskopf, who was assisted by Maurice Perras who later became the manager in 1965, a successor to Laurant Hebert and Mrs. Cecile McRae.

The present board of directors are Dave Bokenfohr, president; Mr. J. L. Rousseau, vice-president; Emile Morin, Vince Curtis, Henry Chalifoux, Bernard Krawchuk, and Ralph Gaetz. Mr. J. Andre Sabouran, This credit union now has Clarence Steffes, Maurice over 1,040 members.

Maurice Perras was born, raised and educated in the Morinville area. He has been manager of the Morinville Savings and Credit Union for almost eight years, and has a total of 19 years experience in the financial field. Prior to his employment with the Morinville Savings and Credit Union, Mr. Perras worked with the Provincial Treasury Branch at Riley and Rycroft, Montreal Trust in Edmonton and the Prairie Finance Company at Barrhead. Mr. Perras is the acting vice-president of the Morinville Board of Trade, and secretary of the Heritage Lake Investment Club. He is a past member and treasurer of the Morinville Lions Club.

SECOND PRIZE \$15 in share savings
THIRD PRIZE - \$10 in share savings

Everybody Welcome!

Julie Sprague received her All Round Cord, the second highest award in Guiding on March 6 in Fort Nelson, B.C., just two days before her 14th birthday. Julie and her parents previously lived in Gibbons. For the special occasion Julie's grandmother, Mrs. Elizabeth Sprague of Gibbons made the trip to Fort Nelson and enjoyed a visit with her children. Standing left of Julie is Mrs. Pat Westhouser, division camping advisor who made the presentation. On this momentous occasion for Miss Sprague, besides receiving his distinguished award, she was also appointed as the Peace River Area's representative to the International-Chicago-B.C. Exchange. The entire community of Gibbons is indeed proud of its former citizen.

GIBBONS NOTES

By S.A.M.

Sunday School will begin April 1 in the United Church at 10 a.m. This is open to any denomination. For more information, please phone Mrs. Fraser 799-3843 or Mrs. Gibbons 799-5501.

Happy birthday Mr. Brumfit, 100 years old, March 29. Friends and neighbors are invited to stop for tea at the Community Hall 2 - 5 p.m. with Mr. Brumfit on April 1st.

Mr. and Mrs. Mike Serink and Clarence Minchau travelled to Lethbridge last weekend.

Physical culture classes are held every Thursday at the hall - 8 p.m. Ceramics started March 27, Tuesdays at the hall for eight weeks, 8 p.m.

Be sure and attend the Variety Night show April 7 Saturday, 7:30 p.m. If you would like to participate please phone Mrs. Boettger

799-3806 or Mrs. McWhirter 799-5694.

The Last Round-up Senior Citizen Club held their regular meeting March 22. A few games of bingo were played and Mr. Coulombe brought a ventriloquist to entertain everyone and was very much enjoyed by all. Mr. Brumfit played several tunes on his violin. Before lunch a toast was made to Mr. Brumfit on the occasion of his forthcoming 100 year birthday, March 29. He in turn made a toast to the other three with March Birthdays - Lizzie Sprague, Bernice Knott and Clive Potter. The March birthday cake was then cut and passed to everyone. A very enjoyable day had by all.

Next meeting - April 12, Open to all senior citizens in the area or village.

Word has been received from Fort Nelson, B.C., of Julie Sprague's achievement in the Girl Guides. She has won her All Round Cord

Gibbons Council To Control Dogs

The Village canine control officer is now on duty and will call on all houses and trailers in the Village to see if you own a dog. He will have dog licenses with him so if you do not have your license, he will sell you one. Dogs running at large are now being picked up and a fine or summons issued to the owner.

Plans for the new development to the south are nearing completion and hopefully construction will start in the spring.

The opinion poll enclosed in your financial statement should be filled out and submitted to the village office

as soon as possible. This will determine the interest in the future facilities of the village.

A new chlorine testing machine has been purchased to replace the old one that has been used for a number of years.

A discussion was held on the yearly spring cleanup of the village and ways and means of forcing the cleaning of vacant lots of trash, old cars and machinery on lots and streets.

Work is now being done on the new budget to determine the number of projects that can be carried out during the year.

Gibbons Lady Hockey Team Beats Namao

By S.A.M.

On Sunday, March 25, in the first of a best of five play-off series for the "Gibbons Rangers Ladies Hockey Trophy" the Gibbons squad took the game by storm.

The first goal came at 8:00 of the first period by a fast rising shot from 15

feet out by Brenda Anaka, defenceman for Gibbons. At 11:00 Tyerman of Namao took a two minute penalty for slashing. At 17:07 Beth Lewis in a goal mouth scramble shoved the puck into the lower left hand corner past Namao goalie assisted by L. McCrimmon and Jackie Morris. At 17:27 Anaka for Gibbons took two minutes for hooking. Namao powerplay stole the puck in Gibbons end and at 19:26 Kruggie assisted by McIntosh and Burns fired it past Gibbons' goalie Penny Carleton to narrow the lead to 2 - 1.

The second period was scoreless with hard checking and end to end rushing. In the "Sin-Bin" were Tyerman and McCrimmon both off for roughing at 15:32. The third period proved

and was chosen as the best game in the Northern area winning a three week trip to Chicago. Before moving to Fort Nelson with her family last October, Julie belonged to the 1st Gibbons Company. A very commendable job done Julie.

Saturday, March 31 at the Community Hall - Rummage sale sponsored by 4H Garden Club.

Hurry up and get your boys and girls registered for ball. Coaches are still needed for some age groups please lend your help.

Win a yummy ham at the annual Lions Ham Bingo on Monday, April 16 at 8 p.m. Tickets available from Lion members.

The Gibbons 4H Sewing Club will be holding their achievement day April 14 at the hall. Open to everyone. The girls do an excellent job all year. Come and see their displays.

Congratulations Mr. and Mrs. Ken Schneider of St. Albert on the birth of Darren James, 9 lbs. 6 ozs. Grandparents are Mr. and Mrs. Harvey McLean of Gibbons.

Gibbons homemakers and young people learn new ideas and techniques in the art of cake decorating.

Cake Decorating

Cake decorating under the direction of Mrs. Thelma Everitt has occupied Tuesday evenings for many residents of Gibbons. Several daughters accompanied their mothers to learn this very useful art. One young man attended the class for the express purpose of decorating a birthday cake for his mother.

Co-ordinators of the MD

fatal for the Namao Airbase team as Anaka scored unassisted at 4:00 to make it 3 - 1. Six minutes later Judy Christie picked up a rebound from a shot fired by Lewis and fired it home for the final tally of 4 - 1. Gibbons pressing in for more goals had Namao Base squad draw tripping penalties at 8:15 and 19:24 by Tyerman and Orits.

The rest of the games will all be played at the Namao Airbase on Tuesday, March 27, Thursday March 29 and if necessary Sunday, April 1st and Tuesday, April 3 at 8 p.m.

department of recreation visited the class on the final evening and watched as professionally decorated cakes were being created. A special icing dye is used that gives a wide range of vibrant colors. One cake was decorated with tiny purple violets nestled in green leaves with gently rounded scallops completing the decoration. Full blown roses formed on miniature marshmallows were the most popular decoration and the cakes were finished off with scallops, buds and lattice work.

The babysitting course at Gibbons under the direction of Mrs. Gayle Neale and the pottery class with Mr. Allan Holmes of Edmonton as the instructor begin this week. Registration for children is \$1 and adults \$2 with materials extra.

Arts and Crafts co-ordinators T. Ruth McCullough and Mrs. Jean Smith, recreation department, MD of Sturgeon. Phone 256-2231 and 424-6276.

Bon Accord Council Accepts Resignations

All members of council and staff were present at the regular monthly meeting held March 19. Approval was given to a proposal subdivision on the S.W. 5-56-23-W4.

A letter was read from Mr. A. J. Jenkins, secretary treasurer, asking council to accept his resignation following the completion of the 1973 budget. On behalf of council, Mayor Deedman expressed his profound regret and thanked Mr. Jenkins for the fair way in which he had tendered his resignation and for his offer to make himself available to council and staff at any time his experience might be of help. Council agreed to release Mr. Jenkins on the 30th June, 1973.

A letter of resignation from Councillor Brennan was also read, to become effective May 21st, the date of the May meeting of council. The mayor stated that this was most regrettable and expressed deep concern at losing a dedicated member of council, of nine years experience, at a time when the village was undergoing rapid change and expansion. Councillor Brennan replied that he would still be available to council for committee work but could no longer afford to remain in office due to pressure of his own business. Mayor Deedman stated, that in view of the foregoing, council had no alternative but to accept Councillor Brennan's resignation.

Mr. Ed Brennan met with council to discuss the possibility of moving a duplex on to a vacant lot in the village. Council agreed to discuss the matter further and notify Mr. Brennan of their decision.

A resolution was passed authorizing council to borrow \$9,595, from CMHC for sewage treatment project as authorized under Bylaw #55.

Mr. E. L. Butler was appointed auditor for 1973. Council was appointed to act as Court of Revision to be held at the village office at 8 p.m. on Wednesday, April 4, 1973.

The three newly elected members to the Community Centre Board, Mrs. Pauline Mansfield, Mrs. Glenna Brennan and Mr. H. C. Meyer were appointed to the Recreation Board to replace Mrs. Dorothy Rigney, Mrs. Thelma Everett and Mr. Wes Carleton whose terms of office have expired.

A motion was passed authorizing council to sign the Regional Recreation Agreement and Councillor Brennan was appointed as village member to the Regional Recreation Board.

Some members of the Bon Accord Recreation Board met with Mr. George Freisler and Mr. A. Lessard of Marlo Homes Ltd. for preliminary discussion with a view to acquiring up to 10 acres of land on the former Kinjerski property, to be used for recreational purposes. When the recreation board has given their full consideration they will contact Mr. Freisler again.

Following direction from ratepayers, given at the annual meeting held March 12, a discussion was held on Fire Protection. No conclusions were reached but the matter will be discussed further, prior to budget.

Mrs. Carol Donohue, a resident in the new subdivision, had asked council's permission to operate a hairdressing salon in her own home. Council had no objection to this.

Meeting adjourned at 10:45 p.m.

Morinville Guides & Brownies Celebrate Thinking Day

By Flo McGinnis

The Morinville Guide and Brownie packs celebrated their Thinking Day ceremonies on February 22 at the Legion Hall with a good attendance. Mistress of ceremonies Mary Flannigan welcomed the girls and parents, telling the story of Lord and Lady Baden Powell and how the brownie and guide association had its beginnings. Each pack took their turn at presenting a song especially made up for Thinking Day. The birthday cake was decorated with flags of all the countries and each girl had an individual cup cake with a special candle on it.

Happy birthday was of course sung followed by the blowing out of the candles and refreshments for everyone. The singing of Taps closed the very enjoyable evening.

With the Fly-up to Guides in February and somewhere coming up in April the 2nd Brownie Pack is now looking for new members. After the fly-up in April the full pack of 24 girls will be down to 16. There is a reavelecoming up soon along with camps, hikes and the regular work, so there must be many

little girls that would love to join. It teaches them responsibility plus all the joys of nature, the art of doing crafts, and many more enjoyable things. If you know of any girl from the age of 7-10 that would be interested in joining the Brownie Pack, please contact Mrs. Barb Tailleux at 256-3152.

The Guides and Brownie Bazaar held on March 20 was a big success, and the leaders would like to extend their thanks to all the people who came out to the Legion Hall and supported the girls project. They hope to make it an annual affair and with support like there was this year it should be a success. Many thanks to all the mothers who contributed items to the baking and bazaar tables. There were quite a few people who do not have children in the guides and brownies, but donated a number of items, so a special thanks go out to them.

The guides have a full schedule for the next few months, with two "sleep-ins," two camps, and possibly a Mother's Day tea. They have bought two tents this year so now will not have to borrow tents whenever they want to go camping.

ing. They are now trying to get some equipment to go with it.

The Mothers' Local have been very helpful this year, and many thanks go out to the executive for all their assistance. Also a big thanks to the Legion for allowing the use of the hall for all the meetings and parties.

Watch for more news from the Morinville packs, and by the way -- you ladies must be thinking of housecleaning at this time of year or maybe you have already begun. ANY POTS and PANS or ANYTHING that could be used for camping would really be appreciated by the guides and brownies to go with the tents that they now have. If you can help, please call MARY FLANNIGAN at 256-3121.

Farmers Advocate Speaker At Uniform Meeting

HELMUT ENTRUP

Mr. Helmut Entrup, recently appointed Farmers Advocate of Alberta, will be guest speaker at the Uniform

farm District 52 annual meeting to be held at the Namo Community Hall, Monday, April 2 at 8 p.m.

Mr. Entrup became the first farmers advocate in North America when he was appointed to this new position in the Alberta Department of Agriculture in December, 1972. His primary concern is helping farmers with their surface rights problems.

Other business will include a report from the Uniform Provincial Board, by Mr. Ernie Fahrion, Region 5 director and election of district officials.

All district farmers and their wives are welcome.

Horticulture Show Rules

1. One entry per person per class; 2. Flowers must be grown in entrants family garden; 3. In arrangements suitability of containers will be considered; 4. Please provide your own, plain glass containers; 5. All entries should be correctly and distinctly named; 6. All exhibits must be in the hands of the directors in charge by 9:30 a.m.; 7. All entries must be in and ready for judging by 10 a.m.; 8. The

flower and vegetable show will be open to the public from 1 p.m. to 4 p.m.; 9. Admission will be 50¢, with children accompanied by their parents - Free; 10. Refreshments will be served from 1 till 4 p.m.; 11. In the flower arrangements, suitability of containers will be considered; 12. Entry fee will be 10¢ per class with a maximum of \$1 per entrant.

Mr. Tony Jansen has accepted the invitation to be our judge again this year and August 22 has been chosen as the date of this year's show.

Class listings published later.

Yukoners are celebrating the territory's 75th birthday this year. On June 13, 1898, the Yukon was declared a separate territory of Canada.

The Vibrations had the crowd up and moving, for every number at Piccadville Hall Saturday evening. The four young men with the big smiles had a versatile repertoire, with something for every taste and two of them were no mean singers as well. It was hippie night and some of the outfits had to be seen to be believed. Clem Clouthier, Harvey Oulmet and Leo Maurier all looked like bona fide members of the beat generation.

Emile Morin, Town of Morinville public works maintenance worker is busy thawing out town culverts to hasten Spring runoff water along the streets. Above Emile was steaming a culvert on Grandin Avenue.

Morinville Groups Study Artificial Ice

By Flo McGinnis
 Wednesday, March 21 saw a special meeting held to discuss "Artificial Ice" for Morinville, with representatives from Town Council, Sports Associations, Curling Association, Recreation Board, Frontier Daze and

the Figure Skating Club in attendance. A good discussion was held as to the ways and means of arriving at the much required improvement to the town. The consensus of opinion was that "If we all work together, we will attain our goal."

A very important point under discussion was whether to aim for artificial ice for the arena only, or whether to set sights on a complex of arena-curling rink-kitchen facilities. It was felt by the Sports Association that further discussion and investigation is required by their group, due to the fact that up to now they have operated as an independent group. The proposed complex would require the joining of many forces, under one, new "board."

Maurice VanBrabant, sports association president, reported to the special meeting that his group will hold a separate meeting for further discussion on the matter and will decide whether they agree to disband the present set-up in favor of re-organizing and joining under a completely new board.

A meeting of the same representatives has been called for April 4 at 8 p.m. at which time some basic

and brownies. The father, mother and daughter banquet will be held on May 30. The president reported that Mrs. O'Meara from the Lodge had made a generous contribution to the Local to help support the Guide Company and Brownies. Sincere thanks was extended to Mrs. O'Meara and her donation was greatly appreciated. Leaders are still needed... give your name to Mrs. Bruce 598-3612 if you wish to help.

AROUND STURGEON
 Earle Toane of Gibbons attended part of the Silver Broom international curling competition at Regina last week, and reported that the opening ceremonies with RCMP personnel, highland pipers and several bands and colour parties were most impressive and colorful in the packed-to-capacity rink.

Calahoo Couple Married At St. Mathew's Church

By Liz McLeod
 A pretty afternoon wedding was solemnized by Pastor Dr. John Zimmerman in St. Mathew's Lutheran Church, Spruce Grove, on March 2 before a large audience, when Lois Frances Schafers and Don Karl Schmermund pledged marriage vows. Lois is the third daughter of Joseph and Martha Schafer and Don is the son of Roy and Alice Schmermund, all of Calahoo. The bride was radiant in a long white gown featuring full train and shoulder length veil, complemented by a bouquet of red roses with white carnations and Lily of the Valley.

Bridesmaids were the groom's sister, Marlene Schmermund of Calahoo and Virge Yockey of Wilkie, Sask. They wore identical gowns of rose pink, with floral pink overlay, while floppy hats with pink ribbons, and small silver cross necklaces. They carried bouquets of pink and white carnations.

The groom was attended by Bernard Schafers, brother of the bride of Calahoo, and Bill Johnson of

Edmonton. Joseph Schafers Jr. and Carl Schmermund ushered the guests.

For a reception at Stony Plain hall the bride's mother chose a deep rose gown, and the groom's mother wore mauve, both choosing silver slippers. Over 300 friends and relatives enjoyed good music and later a delicious buffet supper. A beautifully decorated three tier wedding cake centered the head table, made and decorated by Mrs. Roy Schmermund, and flanked by candles and floral arrangements. The wedding party at the head table included three grandmothers of the happy couple; Mrs. Carl Bergstrelser, Mrs. Herman Schafers and Mrs. Anna DeRudder.

Cherilynne Brown caught the bride's bouquet, while Rolfe Majeau got the garter tossed by the groom. When Rolfe was asked to put the garter on Cherilynne, it caused a good bit of merriment at the happy gathering.

Out of town guests were Mr. and Mrs. Glen Ricknell, Grant Ricknell and Darlene Coles from Edson, and Virge Yockey from Wilkie, Sask.

An opening of gifts party was held at the groom's parents home on March 3, when the happy couple thanked everyone for sharing their joy both on their wedding day and at the gift opening.

Development Prospects Indicate Morinville Growth To Over 8,000

The Town of Morinville presently has a population of 1,500 people, according to census figures of 1972 and with developments in progress by Marlo Homes Ltd. plus development proposals by Willowbrook Homes (1964) Ltd. and Green Acres, the town population could swell to about 3,500 in the next year or so.

That's not the end of Morinville's projected growth however, because Forest Glen (Dixie) Ltd., owners of about 450 acres of choice development land located southeast of the present townsite could conceivably more than double the projected figure of 3,500 to a very realistic 7,000 or 8,000 residents before too many years have elapsed.

Morinville at present covers a total area of about 549 acres which includes about 50 acres presently under development by Willowbrook Homes Ltd. and Green Acres. In this sector there are 90 serviced lots and new homes are expected to be ready for occupancy within a few months. Another separate sector owned and being developed by Marlo Homes Ltd. consists of about 50 lots and homes here have been under construction since last fall. The Marlo area is located northwest of the NAR tracks and running adjacent to the old highway No. 2. The same developer, Marlo Homes Ltd. also owns about 40 acres west of the present Marlo holdings and this area too, formerly known as the old milk ranch property, is expected to sprout out into

a building development.

The land discussed so far is already incorporated in the Town of Morinville and falls under stage 1 of the town's development program.

The 450 acre plot previously referred to as Forest Glen (Dixie) Ltd. lies east of the present townsite running southward adjacent to the NAR track. This area is located within the MD of Sturgeon and of course subject to annexation with the town of Morinville before development can take place. Some work toward annexation procedure has already taken place.

Mayor Art Stapleton views the prospects of Morinville with a great deal of anticipation. He can see his town rapidly growing into a major centre serving a population of up to 8,000. Mayor Stapleton of course shows some concern with the problems of supplying such a town with services and related amenities such as policing, fire protection, recreational facilities, garbage disposal and the hundreds of other services which will have to be expanded.

"We don't expect a massive invasion of Morinville," Mayor Stapleton said, "but we know that we must prepare ourselves for quite a rapid growth which will have to be negotiated as it occurs. We're certainly not going to make rash expenditures on anticipated expansion, rather, we're going to grow with the demand and not before," the mayor said.

Mayor Stapleton explained that his town was within commuting distance of Edmonton and therefore can become a self-contained dormitory town of about 7-8,000 people within the next decade. As such, he foresees when Morinville will become an excellent place for young couples to settle in because of lower real estate prices and more realistic living costs, plus security and quiet of a smaller centre.

Town secretary treasurer Paul Brochu can't really foresee any problems regarding expansion of service.

He said that the town of Morinville, presently drawing its raw water supply from a catch basin on the Sturgeon River north of town has a potential to serve a town of 3,500 immediately with only minor pumping alterations made to increase capacity.

Mr. Brochu admits, however, that the town's present sewage lagoon would have to be doubled to accommodate such a population (3,500) and if and when Morinville's population does reach 7-8,000 people, another sewage lagoon with pressure line and pumps will definitely have to be built.

Town officials expressed confidence in their development agreement policies which stipulate that developers pre-pay off-site costs and also complete its development site right up to erecting street signs. This way, it was explained, the town assumes no responsibility linked with the development until the entire site is completed and serviced for one year.

"We have a very secure

Town of Morinville secretary-treasurer Paul Brochu (left) looks over extensive development plans with His Worship Mayor Art Stapleton. The map in the background shows present town boundaries and future boundaries and this eloquent drawing, when viewed in the Morinville Town Hall, clearly shows that Morinville is indeed going to be a big town... and soon.

development policy," Mayor Stapleton said, "and we also have a competent staff to see that our policies are carried out."

"In that way," the mayor explained, "we are protected and so are our citizens as well as the developer

and sub trades."

In conclusion, Mayor Stapleton explained that Morinville had a general study made by Associated Engineering Services Ltd. showing a general plan for the town's projected development up to about 1981 for

a population in excess of 7,000 people.

Armed with the general plan, the mayor explained, plus town policies being firmly adhered to, he couldn't see where insurmountable problems would be encountered.

MARCH 30 AND 31

SUNDOWNERS

"FOR THE GOOD TIMES"

MORINVILLE MEMOS

By Flo McGinnis

With spring now more than a week old, the town is really moving. The side by side duplex going up on the north end of Confederation Street is well underway, while the excavating for homes in the new Forest Glenn subdivision has begun, and preparations are being made for the drive-in food service at the east end of Grandin Avenue. Very shortly we should see action on the liquor store as well as on the new IGA. So now when you say "The Town With a Future," you can REALLY mean it.

Frontier Daze on June 23 and 24 will again feature one of the most popular items ever - the "Pony Draw." This has been such a favorite with the children, and the tickets will be distributed in the same manner as previously. They haven't reported yet what colour the pony will be, but who cares? Another big feature that they are planning is a Cane Race for Ladies! All Morinville and district ladies over 18 are eligible to get your paddling arms ready ladies. Further information may be obtained from Jo Anderson at 256-3280 or George Davis at 256-3132.

Bjorg and Abe Carlson have just returned from their short holiday in Denmark and Bjorg reports that the grass is green and flowers are blooming over there. Makes us wonder "if we're ever going to get rid of the mud so that we can begin planting."

There has been no report yet on how much money was raised by the Snowmobile Marathon group that was here from Fahler on March 11th. There were 26 machines that made the trip with stops at High Prairie, Slave Lake, Westlock and Morinville. It was unfortunate that the group did not arrive before the conclusion of the carnival since arrangements had been made to have them all introduced to the crowd and quite a number of people were disappointed. The Morinville Board of Trade provided them with overnight accommodation at the International Building and a family type party was held. The snowmobilers had each obtained pledges from various persons at "so-much-per-mile" and all monies received were in aid of retarded children. The group reported that they had been well received at the other three stops and it was indeed too bad that the lack of snow between Westlock and Morinville slowed them down or they would have experienced a "real Morinville Welcome."

Mrs. Tillie Myer and son Ryan are on a short trip to Kerrobert, Sask. to visit with relatives and friends. This extra-mild weather has made travelling so much easier that "Ryan just took a notion."

Don't forget the Parish Supper on Sunday, April 1 from 5 - 7 p.m. in the Morinville Centre. Art and Denis Chalfoux will provide entertainment from 5:30 - 7:30 and the big bingo gets underway at 8 p.m. so take the family out for an enjoyable evening.

ANNUAL BANQUET

The Senior Hockey Club held their annual banquet and dance on St. Patrick's Day and everyone reports that it was an extremely fine affair. Head table guests included Mayor and Mrs. Stapleton; MD Recreation Director - Carl Royan and wife Della; Sports Association president - Maurice Van Brabant with his wife Evelyn; coach - Maurice Riopel and wife Lucienne; the captain - O'Neill Chevalier with his wife Simone; and the very capable MC for the evening Gib Boddez and his wife Lili. Morinville Sports Association trophies were presented by Maurice Van Brabant to Best Defenceman - Richard Wright; and by Maurice Riopel to Best Forward - O'Neill Chevalier. The Most Gentlemanly Player Award went to Roger Chalfoux with honourable mention to Terry Maslyk, the trophy being presented by Carl Royan. There were presentations of appreciation made on behalf of the team by O'Neill Chevalier to Maurice Riopel, Paul Krauskopf, Bud Roswell, Richard Lepage and Danny Bisby.

His Worship the Mayor had some well chosen words for those senior hockey and other sports people in attendance, and brought forward some good pointers for all. The Twilights got the dancing underway with their usual good music, and even though the crowd was small, it was a fun-filled evening and "a good time was had by all."

Regular monthly meeting of the Morinville Board of Trade will be held on Monday, April 2 at the Legion Hall beginning at 6:30 p.m. It should be an interesting meeting and a large attendance is expected.

One room in the rectory is presently undergoing some changes with a new face-lifting in preparation for the setting up of a pro-

per record of the history of St. Jean Baptiste church. All the material will have to be classified, coded, sorted out and filed, which is no mean job. By cataloguing all the material and paraphernalia pertaining to the church it will always be on hand when required and of course will do away with many errors when discussing or printing something regarding same. Just collecting old pictures and general material is a mountainous job in itself, but it's being worked on.

Saturday, March 31 is the LAST DAY for the Guides Paper Drive so don't be left with a pile of papers that you "meant to get down there." DO IT NOW!

Just one last note here and I know it gets tiresome to hear it, but please try and drop in or phone by Friday noon if you have something for print. The two words "communications" and "co-operation" are my favourites, but when the material has to be edited and prepared it is impossible to do a good job at the last minute. Thanks for your assistance.

Morinville Club Hosts Legal Senior Visitors

By Flo McGinnis

The Senior Citizens Rendezvous Club held their regular card party on March 21st and were hosts to 31 senior citizens from Legal who were headed by their pastor, Father Blaissonette. Arriving by car, the group was ready for a big afternoon and were greeted by some 25 members from the Morinville Club.

It was quite a large gathering that spent the happy afternoon playing cards, renewing old friendships and reminiscing. A long discussion was held regarding the "Hit," how it was organized, how it was set up and hopes for the future. The Rendezvous Club members were delighted to show their guests all the details and try to help them with suggestions and ideas for their own clubhouses.

Legal has invited the Morinville group to return the visit and the Rendezvous Club is looking forward to the trip in the very near future.

Senior Citizens' birthdays this week will be celebrated on April 1st by Minnie Fuchs and Pamela Boissonault. Off to Florida for a three week visit is Dorothy Daignault, for a visit with her oldest brother-in-law Romeo and his wife Mary. Dorothy's sister-in-law from Quebec will be there too so it should be a real family visit.

Morinville's Georges P. Vanier High Cheerleaders won the cheerleading trophy this year in a four-way competition held March 17 in Barrhead. They received the top award while competing against Barrhead, Onaway and Sir Alexander Mackenzie of St. Albert. The Champs are: (left two) Colette Gibeau and Judy Bokenfohr (kneeling). (Right two) Louise Dupuis and Edna Bachand (kneeling). (Centre) Joanne Cormier and Linda Logan. Holding trophy is Michelle Carignan.

Morinville's Vanier High Brings Home Two Trophies

On Saturday, March 17 quite a few of the students from Georges P. Vanier got up very early so that they could get to school by 7 a.m. NO, not for extra classes, but the bus going to the Barrhead Junior International Basketball tournament was leaving at 7:15 a.m., and they meant to be on it. Both the boys and the girls teams attended, as well as our fabulous cheerleaders.

The girls' first game was against Barrhead and although they did their best they were beaten 25 - 10 and therefore did not qualify for the first place trophy. However this loss automatically placed them in the finals for the consolation trophy and they played against Fort Saskatchewan. It was a very close game all the way and had everyone on the edge of their seats. Morinville triumphed when, in the last minute and a half, Cheryl Mason brought the score from 10 - 12 to an even 12 - 12 with two beautiful free shots. The pressure built up and everyone was tense as the Morinville girls made a determined effort. With only 20 seconds to spare, Cheryl made the winning basket. Needless to say, everyone was ecstatic, and Morinville won the Consolation Trophy.

The winner of the tournament (girls) was Archbishop Jordan School from Sherwood Park. They received a trophy donated by the "Barrhead Leader." The annual trophy donated by The Barrhead Bakery will be engraved and kept at Barrhead. Each girl on the team received an individual miniature trophy.

Morinville's team members are: Captain - Michelle Tellier, Assistant - Julie Himschoot, Rita Riopel, Vivian Blackburn, Cheryl Mason, Karen Gibeau, Brenda Vranas, Lorraine Riopel, Monique Riopel, Janice Van Brabant, Sherry Gibeau, Donna Kryskow, Debbie Bryan and Rachelle Sale. Coaches are Miss Karen Weston and Aline Remil-

lard. Morinville boys team won their first game by default as the team from Hinton did not show up. The second game, against Barrhead was lost by a score of 52 - 16. The third game turned out to be very exciting, but unfortunately it was lost to Fort Saskatchewan 36 - 22.

Although they did not do as well as the girls, everyone is still proud of the Morinville boys team which is made up of: Gerry Carignan, Mike Hunter, Jack Dupuis, Salim Butt, Marc Norbert, Donald Proulx, Raymond Boissonault and Barry Myers. The coaches are Denis Proulx and Paul Chalfoux.

The Consolation Trophy went to Fort Saskatchewan who easily defeated Onaway 41 - 14, while the tournament itself was won by the Barrhead Clinic. The annual trophy was donated by Dr. Hamilton, and each team member received individual trophies compliments of Beaver Lumber and Eatrite Confectionary.

This year there were only four schools competing for

the Cheerleading Trophy - Barrhead, Onaway, Sir Alexander Mackenzie, and Vanier. A display was given between games and the girls were judged on Appearance, Attitude, School Spirit, and the Variety of their cheers.

It was a very close competition but Vanier won the trophy. The Vanier Cheerleaders have worked very hard and have turned up at all the basketball games, encouraging everyone of the players. The teams think the cheerleaders are absolutely the greatest and are extremely pleased that they did win the trophy which they so much deserved.

Renu Khullar reports that it was a very enjoyable and exciting tournament with everyone at Barrhead being so helpful. Renu says "We would all like to thank the Barrhead people. We had a wonderful time and we're sure we made some new friends."

In the early days in England, religious orders, universities and merchant groups all ran their own postal systems.

Report From Bon Accord

By Sadie Allen

Registration for softball and baseball teams will be held April 3 in the hall basement from 7:30-9 p.m. Registration for 8 and under team for T Ball will also be taken. Children are requested to bring birth certificates or health care numbers or baptismal certificates.

Residents are reminded of the bingos held each Sunday evening at 7 p.m. Jackpot is \$20 this week for 45 numbers called.

Thanks to the Gazette, Mmes Jean Chubb and Hilda Milligan are pleased to announce that their copy of the Cameo of the West has been returned.

A joint speak-off for junior and senior members of the Beef and Clothing 4H Clubs was held on March 19. Winners for the senior clubs were Marsha Rigney in beef and Deborah Uchacz in clothing. Junior club winners were: 1st, Victor Uchacz; 2nd, David Uchacz for the Beef Club and 1st, Lori Paway; 2nd, Cynthia Bojchko for the Clothing Club. Judges were Mrs. Leona Petherbridge, and Mr. Jim Zahar. Timekeeper was Mr. Logan Carleton, MC was Patrick Ferbey. As the only senior member of the 4H Food Club, Faye Strawson gave her speech at this time. Other members speaking for the Beef Club were Garry Bilecki, Bryan Lewis, Betty Kushak and Michael Uchacz. For the Clothing Club other speakers were Lori Ketter and Shawna Brennan.

The 4H Light Horse Club held their speak-off on Friday, March 23. Junior members who spoke were Mark, Geoff and Karen Prout, Teresa Engley, Natalie Sharp, Shelley Sharp, Maria Huber and Brian Pearce. Winners were 1st, Natalie Sharp; 2nd, Geoff Prout. Senior members speaking were Pat Ferbey, 2nd, Penny Carleton. MC was Judy deSmet, timekeeper, Taras Ferbey and Judges, Mmes. Jean Chubb and Alice Goulet and Rev. Dr. E. Miller. The 4H Light Horse Club has a membership of 35.

The senior speak-off for the Municipality of Sturgeon will take place at Villeneuve on Monday, April 2. Speak-off for junior members of clubs from the municipality will be held at Bon Accord on Friday, April 6. Starting time is 7:30.

The weekend of March 17 and 18 was a most rewarding

one for dog fancier Jim Thompson. At the Canadian Kennel Club Show held at the Klismen's Field House in Edmonton, Champion Pelican Black Buck won best Canadian Bred in Breed, Pelikana Birdie's Curli won Female Reserve winner and Pelikana Decoree made reserve winner on Saturday, March 17. Dew went all the way on Sunday, March 18, winning the winner's ribbon, Best of Winners and defeating half-brother Buck for Best of Breed and finished off as third in the sporting group. Pelican Lake Birdie won the Winner's Ribbon and Best of Opposite Sex on Sunday, March 18. Dee and Birdie were both handled by teen-age daughter Beverly.

An event of interest for sport enthusiasts is the boys basketball tournament slated for Saturday, March 31 at the Bon Accord school. Teams from Horse Hills, Namo, Gibbons, Camilla, Sturgeon Heights, Georges P. Vanier and Bon Accord will be competing for the Reg. Austin Trophy. Teams from the Western side of the school division have dominated the tourney for the four years prior to last year when it was won by Namo. Previous to that Bon Accord held the cup for three years. There will be a booth at the school, manned by members of the U.C.W. The first game gets underway at 9 o'clock with the final game slated for 5.

A miscellaneous shower for Donna McDonald and Les Moore will be held at the Bon Accord United Church on Thursday, April 5. Starting time around 8.

The United Church ladies will hold an Easter Tea, bake sale and Flea Market on Saturday, April 21 in the church basement from 3-5.

Congratulations to Don and Evelyn Fussell on the birth of their son, Gregory Donald, 8 lbs, 3 ozs, on March 14 and to Harold and Joanna Hulsing on the birth of their son, Joseph on March 20.

The Local Association for Guides and Brownies held a very successful meeting on Tuesday, March 20 with 20 out of 28 rooms in attendance. Final plans were made for the tea, fish pond and white elephant sale to be held on March 24. The next meeting will be held in the clubroom on April 17 at 7:30 p.m. sharp.

The Local Association for

Brownies and Guides wish to thank all their patrons who made their tea, fish pond and white elephant sale so very successful. The door prize, a lovely picture of straw flowers made by the Guides, was won by Master Barry Briggs, son of Mr. and Mrs. A. Briggs of Bon Accord.

The Brownies and Guides are still collecting papers, books etc. for their year-round paper drive. Please contact any depots for pick-up of LARGE piles of paper. Papers may still be left at listed depots: Kushak, 299-2170; Mainchen, 298-3618 and Brennan, 298-3770. More and more people are becoming Ecology conscious. Do your share by NOT throwing your papers in the garbage.

New resident Mrs. Linda Ross has a good word to say for the much-maligned teen-ager. Linda had the misfortune to lose her purse at Londonderry Shopping Centre recently. It was found by three 15-year-olds and returned intact.

A very good turnout of shareholders was on hand for the annual meeting of the Bon Accord Mutual Telephone Co. on Saturday, March 24. No change was made in the Board of Directors or president as the Mutual is due to be taken over by AGT as of Dec. 16 this year. Information as to disposal of poles, wire and other assets will be made available by the board later in the year when the laying of underground cable has been completed.

Mr. and Mrs. Harold Hulsing have moved to Redwater to take over the Redwater Lockers. The best of success in your new venture.

The Bon Accord 4H Food Club has been very busy. Mrs. Thelma Everett came to Mrs. Kowalski's and gave us a cake decorating demonstration. She showed us how to use different tips and

tubes. Mrs. Everett let each member try out each tip and decorate two cupcakes. It was great fun. Our club also attended the 4H bowling and curling get-together. Half went bowling and the other half went curling. We all enjoyed it very much. On March 12, a Gourmet Cook from the University of Alberta attended our meeting. He showed slides on decorated hams, roasts, fish, canapés and fancy sandwiches. He also explained a few French words often found on menus. He made canapés, filet, log cabins (mashed potatoes rolled in crackers and deep-fried) and baked Alaska. They were delicious. On March 16 the club toured NAIT, visiting the food display, the bakery and food tech building. Buns and koolaid topped off an interesting and tiring day. March has been just full of fun this year. This report was submitted by Club Reporter, Carmen Carleton.

The Red Cross Transfusion Service will hold a blood donor clinic in the Bon Accord Community Centre on Monday, April 16 from 6 until 9 p.m.

NAMAOO NEWS

By Norma Crozier

Students of Namo, Bon Accord, Gibbons, Horse Hills, Sturgeon Heights, Camilla and Vanier Schools participated in the girls basketball tournament held on Saturday, March 24 at Namo School. Horse Hills girls won the tournament playing off with Camilla in a very close exciting game. The consolation winner was Namo. A good crowd turned out for this exciting day, three games were tied and one went into overtime. The Namo Community League sponsored a teen dance in the evening, which was also well attended.

Welcome home to Mr. and Mrs. Alfred Ladimer who enjoyed a motor trip to Arizona.

By Peggy Wenzel

The Horse Hills girls basketball team defeated Camilla's team in the finals of the Sturgeon School Division tournament held Saturday at Namo. They are now the proud possessors of the divisional trophy and the community extends congratulations to the team and coach.

Teams taking part were from Gibbons, Bon Accord, Sturgeon Heights, Namo, Georges Vanier, Camilla and Horse Hills.

At the meeting of the Horse Hill Community League March 22, there was only a small turnout. If the community league is to function properly it is important to have more members present at our meetings. The next meeting is Thursday, April 26 in the school.

Joan Clark, recreation board representative gave a report - anyone interested in attending a Yoga Clinic April 7, 8 in Edson is asked to contact the county office. There are looms available for primitive weaving and there is a new program for senior citizens called New Horizons.

Ball coaches are still needed.

Mr. and Mrs. Harold Paul have returned from a holiday to Spain. They also visited the Canary Islands and French Morocco.

Mr. and Mrs. John R. Crozier, Mrs. Daisy Craig and Mrs. Alma Paul have returned home to Namo after enjoying a 22 day cruise of the Caribbean. They flew to Florida, boarding the ship at the Ever-

ded. Phone Floyd Cruden 799-5792 if you can help us out.

Mr. and Mrs. Paul Yurkiv kindly donated some cups and saucers for our new kitchen. The pattern is Harmony House by Ironstone and is open stock.

A refrigerator was donated by Mr. and Mrs. Bruce Boock.

Please phone your news items or club activities to Mrs. Wenzel - 799-5782, by Friday of each week.

The 1st Evergreen Club Pack enjoyed an airplane ride last Sunday. For some it was the first time in an airplane and they enjoyed seeing Edmonton by air.

Mr. and Mrs. G. Simons have returned home after enjoying three weeks holiday in Disneyland and Mexico.

CORONADO

Unit 2 of the Coronado United Church Women is sponsoring a special meeting on April 10 in the United Church Hall, on the subject of good mental health.

Professional people will lead the discussion on how services may be improved, and ways to overcome the many common misconceptions the public has about mental health.

glades, touching at many parts of the Caribbean Sea, through the locks and lakes of the Panama Canal to Balboa, then up the coast to Acapulco, Los Angeles and Vancouver. Also accompanying them were Mrs. Delma Bell, Mrs. Sarah Bell and Mr. and Mrs. Marcus Crozier.

CARD OF THANKS

We would like to express our sincere thanks to the people of the Sunnyside-Namoo district, and the Sunnyside Ladies, for the pot luck supper and gift at the time we left. Your thoughtfulness and kindness was much appreciated, and we will never forget the good friends and neighbors who made our stay in the district such a happy one.

MR. AND MRS. KEN LITZENBERGER.

LEGAL LOCALS

By Lucienne Montpetit

The Development and Peace campaign was officially launched in school last week. To raise funds the grades 3 and 4 will be holding a bake sale at the Legal Co-op on March 31. Anyone wishing to contribute should bring their contributions at the Co-op for 10 a.m. since they would like to hold the sale only in the morning.

Now is the time to order your sash and toque ensemble for Fete au Village. Give your order to Mrs. Jeanne Maurier before April 10, phone 598-2515.

The Girl Guides are still launching an appeal for any camping equipment you could spare to help the girls in their camping expeditions. Call or bring your donations to Mrs. Elsie Royan, Mrs. Lucien Montpetit or Mrs. Marcel Dube.

Mr. and Mrs. Walter Van de Walle attended the annual meeting of the Rapeseed Association of Canada held at the Hotel Vancouver, Vancouver, B.C., last week.

A group of our senior citizens received a warm welcome when they visited the Club Rendezvous in Morinville last week.

Come one, come all to a ham bingo on April 15 at 8 p.m. at the Legal Community Hall. Sponsored by the Parish Council, the proceeds will go toward the recent painting of the church. Free coffee and donuts will be served, also a bonanza bingo. Admission \$2 for 20 games.

Get well wishes to Mrs. Laura Elgauer who is a patient in the Sturgeon General Hospital.

There will be a meeting on March 29 at 8 p.m. for all adults on catechism "Sacrament of Penance." Everyone is invited and it should prove

to be very interesting.

An Easter bake sale will be held at the Legal Co-op on April 7 from 10 a.m. to 4 p.m. sponsored by the Ukrainian Catholic ladies. Come and buy your baked goods, cabbage rolls for Easter and take a chance on their raffle.

Mr. and Mrs. Frank Rivard and Mr. and Mrs. Roch Proulx are the envy of many when they returned from a month holiday in Hawaii with such a beautiful tan.

The entertainment committee for the Chateau will hold a Bingo on April 1 at 1:30 p.m. Proceeds are to help pay for the senior citizens master antennae system. The public is invited to attend.

The Mother's Local would like to thank all those who helped and attended the bingo last Sunday. Winners of the \$5 were Mr. and Mrs. Chailfou, Ferne Van de Walle, Kathleen S. Martin, Louis Lafrence, Laurier Charrois, Normand Charrois, Marie St. Martin, Mrs. Garneau, and the \$10 game was split between Lorraine Huot and Claude Letourneau.

Les Femmes Chretiennes will hold their monthly meeting at the Rec. Centre on April 2 at 8 p.m.

Expressions of sympathy are extended to Mrs. Martin Ostapowich who is mourning the loss of her father, Mr. Theodore (Fred) Pawlyk from Carvel who passed away on March 21 at 66 years of age.

Namoo Oldtimer Dies

By Norma Crozier

On March 18, 1973, Mrs. Elizabeth McKinley of the Meridian Foundation, Stony Plain, Alberta, formerly of Namoo, Alberta, passed away at the age of 91 years. She was predeceased by her beloved husband, Daniel McKinley in 1960. She leaves to mourn her loss, one son

The staff at Morinville Savings and Credit Union in their new premises: (left to right) Dolores J. Calder, Maurice R. Perras, Gabrielle Morin and Irma E. Bulger. Photo by Jeet Khullar.

New St. John Brigade Provides First Aid In Mishap

A second serious accident on highway 28 in less than a month received prompt and efficient first aid assistance from the newly formed Sturgeon Division of the St. John Ambulance Brigade. Divisional secretary Linda Fearnley and her husband Ken were at the scene of the accident within minutes of its happening and aided the three injured men. Linda said that one of the things a person learns in first aid is to keep calm. This is one of the cardinal rules of first aid.

The three men were eventually taken to hospital by ambulance. Linda accompanied two of the men to hospital. To her horror she learned that this supposedly

efficient ambulance service had only ONE blanket and no bandages. She had to travel to hospital with her and over an open wound on a man's neck. Makes you think doesn't it?

The new Sturgeon Division has proved itself in an emergency twice since its formation a month ago, and both times without equipment that all members should have. The members don't have

equipment because no funds have become available to them yet. Imagine what could be achieved by this centralized first aid/rescue unit of St. John - if they had the funds necessary to be fully equipped and ready at any time for such emergencies as may arise. Residents might think also what the highways will be like in another month or so with all the summer traffic.

Gibbons Brownies Attend Campout

The Gibbons Brownies spent a very successful winter camp the weekend of March 2 - 4 at Coronado. The 12 Brownies who attended were - Glenda Grant, Sandra Herbold, Jo-Ann Christie, Cathy Wood, Beverly Philip, Joy Schaeffer, Lori Briggs, Valerie Montpeller, Laura Visscher, Sandra Kennedy, Paula Steele and Wendy Zuber. Packie -- Heather Grant, Leaders - Mrs. Pat Briggs, Mrs. Kennedy and Mrs. Fraser. The girls had a most enjoyable time skating, snowshoeing and sliding with

crazy carpets. A very special event took place Saturday afternoon when Don Hood took them for a sleigh ride. While at camp the following brownies earned - Snowshoe Badges - Lori Briggs, Sandra Herbold and Jo-Ann Christie; Skating Badge - Glenda Grant, Laura Visscher, Sandra Herbold, Heather Hood and Jo-Ann Christie.

A very special thanks goes to Mr. and Mrs. Don Hood for all their help and also to the members of the Coronado United Church for the use of their facilities.

District Farmer Dies At 80 Years

By Liz McLeod

On March 12 the Heatherdown United Church was filled with relatives, neighbors and friends who came to bid farewell to Mr. William James Parker of Spruce Grove, who passed away in Misericordia Hospital, Edmonton on March 8 where he had been hospitalized since July 1972. He was 80 years of age.

The Reverend Steele officiated at the 1 p.m. service. Organist was Anna Miller. The pallbearers were John Kozyna, Edward Javorsky, Joe White, Roy Caswell, Ray Miller and John Pollock.

Interment was in the church cemetery.

Born in North Cumberland County, Ontario, on March 31, 1892, Mr. Parker grew up in the area, and in 1913 took up a homestead in the Heatherdown district south of Onaway. Here he farmed until retirement in 1963 and was living with his daughter in Spruce Grove before entering hospital. Mr. Parker was predeceased by his wife Jessie (nee Gaultier) in 1958 and a daughter Eva in 1942.

He leaves to mourn his passing one son George Parker of Onaway and three daughters, Mrs. Edward (Dorothy) Getzinger, Stony Plain; Mrs. Cyril (Ella) Blanchard, Riviere Qui Barre, and Mrs. Jack (mma) Dalheim, Spruce Grove. Four sisters and four brothers, Mrs. Mabel Waddell, Stony Plain; Mrs. Alice Smith, Fort St. John, B.C.; Mrs. Mary Saunders, RR 1 Morinville; Mrs. Annie Johnstone, Onaway; Mr. Herbert Parker, New Westminster, B.C.; Mr. Charlie Parker, Onaway; Mr. Harvey Parker and Mr. Jack Parker of Montney, B.C.
